1 The holy economic war

Noir Désir

1. Woke up on the ground, I've thought "the earth is round"
So what about this new day on my way
Is there anything new, what are we gonna do?
Woke up in the silence then I've heard that song

*And a voice said
This is not a bad joke
This messages's done for you
You've got to work hard more and more
For the holy economic war*

2. But it couldn't be no hallucinations
Then I've read the story of the new nations
Lord it's just as you please, I get down my knees
God it's wonderful to find the meaning of life

*And a voice said
This is not a bad joke
This messages's done for you
Invade the whole world
Don't forget the new password everybody sings you have
No choice in the matter
I'll become your blessed manager
You've got to produce more and more
For the holy economic war*

Business force...
Marketing...
Careers ...
Success ...
Oh holy yeld
Oh holy hell ...

2 Here without you

3 Doors D own

1. A hundred days have made me older
Since the lasttime that I saw your pretty face
A thousand lies have made me colder
And I don't think I can look at this the same
All the miles that separate
Disappear now when I'm dreamin' of your face

*I'm here without you baby
But you're still on my lonely mind
I think about you baby
And I dream about you all the time*

*I'm here without you baby
But you're still with me in my dreams
And tonight, there's only you and me*

2. The miles just keep rollin'
As the people leave their way to say hello
I've heard this life is overrated
But I hope that it gets better as we go

*I'm here without you baby
But you're still on my lonely mind
I think about you baby
And I dream about you all the time*

*I'm here without you baby
But you're still with me in my dreams
And tonight, there's only you and me*

3. Everything I know, and anywhere I go
It gets hard but it won't take away my love
And when the last one falls, when it's all said and done
It gets hard but it won't take away my love
-

3 What's up?

4 Non Blondes

1. Twenty Five years and my life is still
Trying to get up that great big hill of hope
For a destination
I realized quickly when I knew that I should
That the world was made of this brotherhood of man
For whatever that means

And So I cry sometimes when I'm lying in bed
Just to get it all out what's in my head and I,
I am feeling a little peculiar
So I wake in the morning and I step outside
And I take a deep breath and I get real high and
I Scream at the top of my lungs WHATS GOIN ON?

| *And I said Heyeyeyeyey Heyeyey*
| *I said Hey Whats going on?*
| *And I said Heyeyeyeyey Heyeyey*
| *I said Hey Whats going on?*

2. Ooh, Ooh Ooh
And I try, oh my god do I try
I try all the time, in this institution
And I pray, oh my god do I pray
I pray every single day
For a revolution
3. And So I cry sometimes when I'm lying in bed
Just to get it all out what's in my head and I,
I am feeling a little peculiar
So I wake in the morning and I step outside
And I take a deep breath and I get real high and
I Scream at the top of my lungs WHATS GOIN ON?
- : Twenty-five years and my life is still
: Trying to get up that great big hill of hope
: For a destination

4 U-Turn (Lili)

A aRON

1. Lili, take another walk out of your fake world
Please put all the drugs out of your hand
You'll see that you can breath without no back up
So much stuff you got to understand

| *For every step in any walk*
| *Any town of any thought*
| *I'll be your guide*

| *For every street of any scene*
| *Any place you've never been*
| *I'll be your guide*

2. Lili, you know there's still a place for people like us
The same blood runs in every hand
You see it's not the wings that make the angel
Just have to move the bats out of your head
 3. Lili, easy as a kiss we'll find an answer
Put all your fears back in the shade
Don't become a ghost without no colour
'Cause you're the best paint life ever made
-

5 Lovesong

A dele

1. Whenever I'm alone with you
You make me feel like I am home again
Whenever I'm alone with you
You make me feel like I am whole again

2. Whenever I'm alone with you
You make me feel like I am young again
Whenever I'm alone with you
You make me feel like I am fun again

*However far away,
I will always love you
However long I stay,
I will always love you
Whatever words I say,
I will always love you
I will always love you*

3. Whenever I'm alone with you
You make me feel like I am free again
Whenever I'm alone with you
You make me feel like I am clean again

*However far away,
I will always love you
However long I stay,
I will always love you
Whatever words I say,
I will always love you
I will always love you*

*However far away,
I will always love you
However long I stay,
I will always love you
Whatever words I say,
I will always love you
I will always love you*

: 'Cause I love you

6 Rolling in the deep

A dele

1. There's a fire starting in my heart
Reaching a fever pitch and it's bringing me out the
dark
Finally, I can see you crystal clear
Go ahead and sell me out and I'll lay your ship bare

See how I leave with every piece of you
Don't underestimate the things that I will do
There's a fire starting in my heart
Reaching a fever pitch and it's bringing me out the
dark

*The scars of your love, remind me of us
They keep me thinking that we almost had it all
The scars of your love, they leave me breathless
I can't help feeling*

*We could have had it all
Rolling in the deep
Your had my heart inside of your hand
And you played it to the beat*

2. Baby I have no story to be told
But I've heard one of you and I'm gonna make your
head burn
Think of me in the depths of your despair
Making a home down there, as mine sure won't be
shared

Throw your soul through every open door
Count your blessings to find what you look for
Turn my sorrow into treasured gold
You'll pay me back in kind and reap just what
you've sown

7 Someone Like You

Adele

1. I heard that you're settled down
That you found a girl and you're married now
I heard that your dreams came true
Guess she gave you things I didn't give to you
Old friend, why are you so shy?
Ain't like you to hold back or hide from the light
: I hate to turn up out of the blue, uninvited
: But I couldn't stay away, I couldn't fight it
: I had hoped you'd see my face and that you'd be
: reminded
: That for me, it isn't over

*Never mind, I'll find someone like you
I wish nothing but the best for you, too
Don't forget me, I beg, I remember you said
Sometimes it lasts in love, but sometimes it hurts
instead(×2)*

2. You know how the time flies
Only yesterday was the time of our lives
We were born and raised in a summer haze
Bound by the surprise of our glory days
: I hate to turn up out of the blue, uninvited
: But I couldn't stay away, I couldn't fight it
: I had hoped you'd see my face and that you'd be
: reminded
: That for me, it isn't over

*Never mind, I'll find someone like you
I wish nothing but the best for you, too
Don't forget me, I beg, I remember you said
Sometimes it lasts in love, but sometimes it hurts
instead, yeah*

- : Nothing compares, no worries or cares
: Regrets and mistakes, they're memories made
: Who would have known how bittersweet this
: would taste?

*Never mind, I'll find someone like you
I wish nothing but the best for you
Don't forget me, I beg, I remember you said
Sometimes it lasts in love, but sometimes it hurts
instead*

*Never mind, I'll find someone like you
I wish nothing but the best for you, too
Don't forget me, I beg, I remember you said
Sometimes it lasts in love, but sometimes it hurts
instead
Sometimes it lasts in love, but sometimes it hurts
instead*

1. An old man turned ninety-eight
 He won the lottery and died the next day
 It's a black fly in your Chardonnay
 It's a death row pardon two minutes too late
 And isn't it ironic? Don't you think?

*It's like rain on your wedding day
 It's a free ride when you've already paid
 It's the good advice that you just didn't take
 And who would've thought it figures*
 2. Mr. Play-it-Safe was afraid to fly
 He packed his suitcase and kissed his kids goodbye
 He waited his whole damn life to take that flight
 And as the plane crashed down he thought, "Well isn't this nice"
 And isn't it ironic? Don't you think?

 : Well life has a funny way
 : Of sneaking up on you when you think everything's okay
 : And everything's going right

 : And life has a funny way
 : Of helping you out when you think everything's gone wrong
 : And everything blows up in your face
 3. A traffic jam when you're already late
 A no-smoking sign on your cigarette break
 It's like ten thousand spoons when all you need is a knife
 It's meeting the man of my dreams and then meeting his beautiful wife
 And isn't it ironic? Don't you think?
 A little too ironic and yeah, I really do think

 : Life has a funny way of sneaking up on you
 : Life has a funny, funny way of helping you out
 : Helping you out
-

If I ain't got you

Alicia Keys

1. Some people live for the fortune
Some people live just for the fame
Some people live for the power, yeah
Some people live just to play the game
Some people think that the physical things
Define what's within ... And I've
Been there before, that life's a bore
So full of the superficial

*Some people want it all, but
I don't want nothing at all
If it ain't you baby
If I ain't got you baby
Some people want diamond rings
Some just want everything, but everything means
Nothing, if I ain't got you, yeah*
 2. Some people search for a fountain
That promises forever young
Some people need three dozen roses. And
That's the only way to prove you love them
Hand me the world on a silver platter and
What good would it be with
No one to share. No one who truly
Cares for me
 3. If I ain't got you with me baby
So nothing in this whole wide world don't mean a
thing
If I ain't got you with me baby
-

1. Some say love it is a river
That drowns the tender reed
Some say love it is a razor
That leaves your soul to bleed
Some say love it is a hunger
And endless aching need
I say love it's a flower
And you, its only seed
 2. It is the heart afraid of breaking
That never learns to dance
It's the dream afraid of waking
That never takes the chance
It's the one who won't be taken
Who cannot seem to give
And the soul afraid of dying
That never learns to live
 3. When the night has been too lonely
And the road has been too long
And you think that love is only
For the lucky and the strong
Just remember in the winter
Far beneath the bitter snows
Lies the seed, that with the sun's love
In spring, becomes the rose.
-

1. On the first part of the journey
 I was lookin at all the life
 There were plants and birds and rocks and things
 There were sand and hills and rings
 The first thing I met was a fly with a buzz
 And the sky with no clouds
 The heat was hot and the ground was dry
 But the air was full of sound

*I've been thru the desert on a horse with no name
 It felt good to be out of the rain
 In the desert you can't remember your name
 Cause there ain't no one for to give you no pain
 La la la
 La la la la la
 La la la
 La la la la la*

- After two days in the desert sun
 - My skin began to turn red
 - After three days in the desert fun
 - I was looking at a river bed
 - And the story it told of a river that flowed
 - Made me sad to think it was dead
2. After nine days I let the horse run free
 Cause the desert had turned to sea
 There were plants and birds and rocks and things
 There were sand and hills and rings
 The ocean is a desert with its life underground
 And the perfect disguise above
 Under the cities lies a heart made of ground
 But the humans will give no love

12 Mr. Rock'n Roll

Amy MacDonald

Dancing like there's no one there before she ever seemed to care now
She wouldn't dare, it's so rock 'n roll to be alone

I wish I was something more
And they'll meet one day far away and say
I wish I knew you, I wish I knew you before

She'll say I wish I knew you
I wish I loved you before I was his bride*

But I've seen that all before in TV, books and films and more
And there's a happy ending, every single day
(×2)

13 This is the life

Amy MacDonald

1. Oh the wind whistles down
The cold dark street tonight
And the people they were dancing to the music vibe

And the boys chase the girls with the curls in their hair
While the shocked too many just sit way over there
And the songs they get louder each one better than before

*And you're singing the songs thinking this is the life
And you wake up in the morning and your head feels twice the size
Where you gonna go, where you gonna go, where you gonna sleep tonight?
(×2)*
 2. So you're heading down the road in your taxi for four
And you're waiting outside Jimmy's front door
But nobody's in and nobody's home till four

So you're sitting there with nothing to do
Talking about Robert Ragger and his motley crew
And where you gonna go, and where you gonna sleep tonight?

14 Vampire

Antsy Pants

I am a vampire, I have lost my fangs

So I'm sad and I feel lonely
So I cry and I'm very angry
And I ate some garlic
So I'm no more satanic yeah yeah

*I am a vampire and I am walking in the city
But the pretty girls don't look at me
(Don't look at me)
Cause I don't have my fangs
Cause I have lost my fangs*
2. I am a vampire, I am a vampire
I have lost my mouth organ
I am a vampire, I am a vampire
I have lost my mouth organ

So I get bored and I shout
So I eat popcorn and I put on weight
And I sing but my voice is breaking
And I want to play the guitar
But my guitar is out of tune

*I am a vampire and I'm walking in the city
But the musicals don't play with me
(Don't play with me)
Cause I don't have my mouth organ
And I have lost my mouth organ*

15 Hobo's lullaby

Arlo Guthrie

1. Go to sleep you weary hobo
Let the towns drift slowly by
Can't you hear the steel rail humming
That's a hobo's lullaby
 2. Do not think about tomorrow
Let tomorrow come and go
Tonight you're in a nice warm boxcar
Safe from all the wind and snow
 3. I know the police cause you trouble
They cause trouble everywhere
But when you die and go to heaven
You won't find no policemen there
 4. I know your clothes are torn and ragged
And your hair is turning grey
Lift your head and smile at trouble
You'll find happiness some day
 5. Go to sleep you weary hobo
Let the towns drift slowly by
Don't you feel the steel rail humming
That's a hobo's lullaby

17 Nobody's home

Avril Lavigne

1. I couldn't tell you why she felt that way
She felt it every day
And I couldn't help her
I just watched her make the same mistakes again
What's wrong, what's wrong now?
Too many, too many problems
Don't know where she belongs
Where she belongs

*She wants to go home, but nobody's home
That's where she lies, broken inside
With no place to go
No place to go to dry her eyes
Broken inside*

2. Open your eyes and look outside
Find the reasons why
You've been rejected
And now you can't find what you've left behind
Be strong, be strong now
Too many, too many problems
Don't know where she belongs
Where she belongs
 3. Her feelings she hides
Her dreams she can't find
She's losing her mind
She's falling behind
She can't find her place
She's losing her faith
She's falling from grace
She's all over the place, yeah
- : She's lost inside, lost inside, Oh oh
: She's lost inside, lost inside, Oh oh, oh

18 Things I'll never say

Avril Lavigne

1. I'm tugging at my hair, I'm pulling at my clothes
I'm trying to keep my cool, I know it shows
I'm staring at my feet, my cheeks are turning red
I'm searching for the words inside my head

I'm feeling nervous, tryin' to be so perfect
Cause I know you're worth it, you're worth it, yeah

*If I can say what I wanna say, I say I wanna blow you away
Be with you every night, am I squeezing you too tight
If I can say what I wanna see, I wanna see you go down on one knee
Marry me today, cause I'm wishing my life away
Well these things I'll never say*
 2. They don't do me any good, it's just a waste of time
What use is it to you what's on my mind
If it ain't coming out, we're not going anywhere
So why can't I just tell you that I care

Cause I'm feeling nervous, tryin' to be so perfect
Cause I know you're worth it, you're worth it, yeah

What's wrong with my tongue, these words keep slipping away
I stutter I stumble, like I've got nothing to say

Cause I'm feeling nervous, tryin' to be so perfect
Cause I know you're worth it, you're worth it, yeah

Yes I'm wishin' my life away
These things I'll never say

19 I want it that way

Backstreet Boys

1. You are, my fire
The one, desire
Believe, when I say
I want it that way

But we, are two worlds
Apart, Can't reach to,
Your heart, When you say
That I want it that way

Tell me why, (Ain't nothin' but a heart-ache)
Tell me why, (Ain't nothin' but a mis-take)
Tell me why, I never wanna hear you say
I want it that way

2. Am I, your fire
Your one, desire
Yes I know, it's too late
But I want it that way

Tell me why, (Ain't nothin' but a heart-ache)
Tell me why, (Ain't nothin' but a mis-take)
Tell me why, I never wanna hear you say
I want it that way

Now I can see that we're fallin' apart
From the way that it used to be, (Yeah)
No matter the distance
I want you to know
That deep down inside of me...

3. You are, my fire
The one, desire
You are, you are, you are, you are...

(Don't wanna hear you say!)
Ain't nothin' but a heart-ache
Ain't nothin' but a mis-take
I never wanna hear you say
I want it that way

Tell me why, (Ain't nothin' but a heart-ache)
Tell me why, (Ain't nothin' but a mis-take)
Tell me why, I never wanna hear you say
I want it that way

Tell me why, Ain't nothin' but a heartache
Ain't nothin' but a mistake
Tell me why, I never wanna hear you say
(Don't wanna hear you say it)
I want it that way
I want it that way

1. Valley's deep, and the mountain's so high
If you want to see God you've got to move on the other side
You stand up there with your head in the clouds
Don't try to fly you know you might not come down
Don't try to fly, dear God, you might not come down
2. Jesus came down from heaven to earth,
The people said it was a virgin birth
Jesus came down from heaven to earth,
The people said it was a virgin birth
The people said it was a virgin birth
3. He told great stories of the Lord,
And said he was the saviour of us all
He told great stories of the Lord,
And said he was the saviour of us all
And said he was the saviour of us all
4. For this we killed him, nailed him up high,
He rose again as if to ask us why
And he ascended into the sky,
As if to say in God alone you soar
As if to say in God alone we fly
5. Valley's deep, and the mountain's so high
If you want to see God you've got to move on the other side
You stand up there with your head in the clouds
Don't try to fly you know you might not come down
Don't try to fly, dear God, you might not come down

1. If I was a flower growing wild and free
All I'd want is you to be my sweet honey bee
And if I was a tree growing tall and green
All I'd want is you to shade me and be my leaves

*All I want is you, will you be my bride
Take me by the hand and stand by my side
All I want is you, will you stay with me?
Hold me in your arms and sway me like the sea*
2. If you were a river in the mountains tall
The rumble of your water would be my call
If you were the winter, I know I'd be the snow
Just as long as you were with me, let the cold winds blow
3. If you were a wink, I'd be a nod
If you were a seed, well I'd be a pod
If you were the floor, I'd wanna be the rug
And if you were a kiss, I know I'd be a hug
4. If you were the wood, I'd be the fire
If you were the love, I'd be the desire
If you were a castle, I'd be your moat
And if you were an ocean, I'd learn to float

1. I remember all my life
Raining down as cold as ice
Shadows of a man
Face through a window
Crying in the night
The night goes into

Morning, just another day
Happy people pass my way
Looking in their eyes
I see a memory
I never realized
How happy you made me

*Oh, Mandy
Well you came and you gave without taking
But I sent you away
Oh, Mandy
Well you kissed me and stopped me from shaking
And I need you today, oh Mandy*

2. I'm standing on the edge of time
I walked away when love was mine
Caught up in a world
Of uphill climbing
Tears are in my eyes
And nothing is rhyming

| Yesterday's a dream,
| I face the morning
| Crying on a breeze,
| The pain is dawning

23 Piazza, New York catcher

Belle & Sebastian

1. Elope with me Miss Private and we'll sail around the world
I will be your Ferdinand and you my wayward girl
How many nights of talking in hotel rooms can you take?
How many nights of limping round on pagan holidays?
Oh elope with me in private and we'll set something ablaze
A trail for the devil to erase
 2. San Francisco's calling us, the Giants and Mets will play
Piazza, New York catcher, are you straight or are you gay?
We hung about the stadium, we've got no place to stay
We hung about the tenderloin and tenderly you tell
About the saddest ending of a book you ever had to read
The statue's crying too and well he may
 3. I love you I've a drowning grip on your adoring face
I love you my responsibility has found a place
Beside you and strong warnings in the guise of gentle words
Come wave upon me from the wider family net absurd
You'll take care of her, I know it, you will do a better job?
Maybe, but not what she deserves
 4. Elope with me Miss Private and we'll drink ourselves awake
We'll taste the coffee houses and award certificates
A privy seal to keep the feel of 1960 style
We'll comment on the decor and we'll help the passer by
And at dusk when work is over we'll continue the debate
In a borrowed bedroom virginal and spare
 5. The catcher hits for .318 and catches every day
The pitcher puts religion first and rests on holidays
He goes into cathedrals and lies prostrate on the floor
He knows the drink affects his speed he's praying for a doorway
Back into the life he wants and the confession of the bench
Life outside the diamond is a wrench
 6. I wish that you were here with me to pass the dull weekend
I know it wouldn't come to love, my heroine pretend
A lady stepping from the songs we love until this day
You'd settle for an epitaph like "Walk Away, Renee"
The sun upon the roof in winter will draw you out like a flower
Meet you at the statue in an hour
Meet you at the statue in an hour
-

24 Stand by me

Ben E. King

1. When the night has come and the land is dark

No I won't be afraid, oh, I won't be afraid
Just as long as you stand, stand by me
*So darling, darling, stand by me, oh stand by me
Oh stand, stand by me, stand by me*
2. If the sky that we look upon should tumble and fall
Or the mountains should crumble to the sea
I won't cry, I won't cry, no I won't shed a tear
Just as long as you stand, stand by me
*Whenever your in trouble won't you stand by me, oh
stand by me
Oh stand, oh stand, stand by me*

28 Just the two of us

Bill Withers

1. I see the crystal rain drops fall
And the beauty of it all
Is when the sun comes shining through
To make those rainbows in my mind
When I think of you sometime
And I want to spend some time with you

Just the two of us, we can make it if we try
Just the two of us, just the two of us
Just the two of us, building castles in the sky
Just the two of us, you and I

:(×2)

2. We look for love
No time for tears
Wasted water's all that is
And it don't make no flowers grow
Good things might come to those who wait
But not for those who wait too late
We've got to go for all we know
 3. I hear the crystal raindrops fall on the window down
the hall
And it becomes the morning dew
And Darling, when the morning comes
And I see the morning sun
I want to be the one with you

May your wishes all come true

May you have a strong foundation
When the winds of changes shift

33 I want you

Bob Dylan

1. The guilty undertaker sighs
The lonesome organ grinder cries
The silver saxophones say
I should refuse you

The cracked bells and washed-out horns
Blow into my face with scorn
But it's not that way
I wasn't born to lose you

I want you, I want you
I want you so bad
Honey, I want you
 2. The drunken politician leaps
Upon the street where mothers weep
And the saviors who are fast asleep
They wait for you

And I wait for them to interrupt
Me drinkin' from my broken cup
And ask me to
Open up the gate for you

: Now all my fathers, they've gone down
: True love they've been without it
: But all their daughters put me down
: 'Cause I don't think about it
 3. Well, I return to the Queen of Spades
And talk with my chambermaid
She knows that I'm not afraid
To look at her

She is good to me
And there's nothing she doesn't see
She knows where I'd like to be
But it doesn't matter
 4. Now your dancing child with his Chinese suit
He spoke to me, I took his flute
No, I wasn't very cute to him
Was I?

But I did it, though, because he lied
Because he took you for a ride
And because time was on his side
And because I...

34 Hurricane

Bob Dylan

1. Pistol shots ring out in the barroom night
Enter Patty Valentine from the upper hall
She sees the bartender in a pool of blood
Cries out, "My God! They killed them all!"

Here comes the story of the Hurricane
The man the authorities came to blame
For something that he never done
Put in a prison cell but one time
He could have been the champion of the world
2. Three bodied lying there does Patty see
And another man named Bello moving around mysteriously
"I didn't do it" he says, and he throws up his hands
"I was only robbing the register, I hope you understand"

"I saw them leaving" he says and he stops
One of us had better call the cops
And so Patty calls the cops
And they arrive on the scene with their red lights flashing
In the hot New Jersey night
3. Meanwhile somewhere in another part of town
Rubin Carter and a couple of friends are driving around
Number one contender for the middleweight crown
Had no idea what kind of shit was about to go down

When a cop pulled him over on the side of the road
Just like the time before and the time before that
In Paterson that just the ways things go
If you black you might as well not show up on the streets
Less you wanna draw the heat
4. Alfred Bello had a partner and he had a rap for the cops
Him and Arthur Dexter Bradley were just out prowling around
He said, "I saw two men running out, they looked like middleweights
They jumped into a white car with out of state plates"

And Miss Patty Valentine just nodded her head
Cop said, "Wait a minute boys, this one's not dead"
So they took him to the infirmary
And although this man could hardly see
They told him that he could identify the guilty men
5. Four in the morning and they haul Rubin in
Take him to the hospital and bring him upstairs
The wounded man looks up though his one dying eye
Says, "Why'd you bring him here for? He ain't the guy!"

Here's the story of the Hurricane
The man the authorities came to blame
For something that he never done
Put in a prison cell but one time he could've been
The champion of the world
6. Four months later the ghetto's in flame
Rubin's in South America, fighting for his name
While Arthur Dexter Bradley's still in the robbery game
And the cops are putting the screw to him looking for somebody to blame

"Remember that murder that happened in a bar?"
"Remember? You said you saw the getaway car?"
"You think you'd like to play ball with the law?"
"Think it might have been that fighter that you saw running that night?"
"Don't forget that you are white"
7. Arthur Dexter Bradley said, "I'm really not sure"
The cops said, "A poor boy like you could really use a break
We got you for the motel job and were talking to your friend Bello
Now you don't want to have to go back to jail, be a nice fellow"

- “You’ll be doing society a favor
That son of a bitch is brave and getting braver
We want to put his ass in the stir
We want to pin this trip murder on him
He ain’t no gentleman Jim”
8. Rubin could take a man out with just one punch
He never did like to talk about it all that much
It’s my work he’d say, I do it for pay
And when it’s over I’d just as soon go on my way
Up to some paradise
Where the trout streams flow and the air is nice
And ride a horse along a trail
But then they took him to the jail house
Where they try to make a man into a mouse
9. All of Rubin’s card were marked in advance
The trial was a pig-circus, he never had a chance
The judge made Rubin’s witnesses drunkards from the slums
To the white folks who watched he was a revolutionary bum
But to the black folks he was a crazy nigger
No one doubted that he pulled the trigger
And though they could not produce the gun
The D.A. said he was the one who did the deed
And the all-white jury agreed
10. Rubin Carter was falsely tried
The crime was murder *one*, guess who testified?
Bello and Bradley and the both badly lied
And the newspapers all went along for the ride
How can the life of such a man
Be in the palm of some fool’s hand?
To see him obviously framed
Couldn’t help but be ashamed to live in a land
Where justice is a game
11. Now all the criminal in their coats and their ties
Are free to drink martinis and watch the sun rise
While Rubin sits like Buddha in a ten foot cell
And innocent man in a living hell
That’s the story of the Hurricane
But it won’t be over till they clear him name
And give him back the time he’s done
Put in a prison cell but one time he could’ve been
The champion of the world

35 One more cup of coffee

Bob Dylan

1. Your breath is sweet, your eyes are like two jewels in the sky
Your back is straight your hair is smooth on the pillow where you lie
But I don’t sense affection no gratitude or love
Your loyalty is not me but to the stars above
- One more cup of coffee for the road
One more cup of coffee for I go
To the valley below*
2. Your daddy he’s an outlaw and a wanderer by trade
He’ll teach you how to pick an choose and how to throw the blade
And he oversees his kingdom so no stranger does intrude
His voice it trembles as he calls out for an other plate of food
3. Your sister sees the future like your momma and yourself
You’ve never learned to read or write there’s no books upon your shelf
And your pleasure know no limits your voice is like a meadow larks
But your heart is like an ocean mysterious and dark

36 Knockin' on heaven's door

Bob Dylan

1. Mama take this badge off of me
I can't use it anymore
It's getting dark, too dark to see
I feel I'm knockin' on heaven's door

Knock, knock, knockin' on heaven's door
Knock, knock, knockin' on heaven's door
Knock, knock, knockin' on heaven's door
Knock, knock, knockin' on heaven's door

2. Mama put my guns in the ground
I can't shoot them anymore
That long black cloud is coming down
I feel I'm knockin' on heaven's door
3. Mama wipe the blood from my face
I'm sick and tired of the war
Got a feeling that's hard to trace
I feel I'm knockin' on heaven's door

37 Blowin' in the wind

Bob Dylan

1. How many roads must a man walk down
Before you call him a man?
How many seas must a white dove sail
Before she sleeps in the sand?
(Yes and) how many times must the cannon balls fly
Before they're forever banned?

The answer my friend is blowin' in the wind
The answer is blowin' in the wind

2. (Yes and) how many years can a mountain exist
Before it is washed to the seas?
(Yes and) how many years can some people exist
Before they're allowed to be free?
(Yes and) how many times can a man turn his head
And pretend that he just doesn't see?
3. (Yes and) how many times must a man look up
Before he can see the sky?
(Yes and) how many ears must one man have
Before he can hear people cry
(Yes and) how many deaths will it take till he knows
That too many people have died?

38 Don't think twice, it's all right

Bob Dylan

1. Well, it ain't no use to sit and wonder why, babe
Even if you don't know by now
It ain't no use to sit and wonder why, babe
It will never do somehow
When your rooster crows at the break of dawn
Look out your window and I'll be gone
You're the reason I'm travellin' on
Don't think twice, it's all right
2. It ain't no use in turnin' on your light, babe
That light I never known
And it ain't no use in turnin' on your light, babe
I'm on the dark side of the road
But I wish there was something you would do or say
To try and make me change my mind and stay
But we never did too much talkin' anyway
But don't think twice, it's all right
3. So it ain't no use in calling out my name, gal
Like you'd never done before
It ain't no use in calling out my name, gal
I can't hear you anymore
I'm a-thinkin' and a-wonderin' walkin' down the road
I once loved a woman a child I'm told
I give her my heart but she wanted my soul
But don't think twice, it's all right
4. So long honey, babe
Where I'm bound, I can't tell
But goodbye's too good a word, babe
So I'll just say fare thee well
I ain't sayin' you treated me unkind
You could have done better but I don't mind
You just kinda wasted my precious time
But don't think twice, it's all right

39 Mr. Tambourine Man

Bob Dylan

*Hey, Mr. Tambourine Man
Play a song for me
I'm not sleepy
And there ain't no place I'm going to*

*Hey, Mr. Tambourine Man
Play a song for me
In the jingle jangle morning
I'll come following you*

1. Though I know that evenings empire
Has returned into sand
Vanished from my hand
Left me blindly here to stand
But still not sleeping

My weariness amazes me
I'm branded on my feet
I have no one to meet
And the ancient empty street's
Too dead for dreaming
 2. Take me on a trip upon your magic swirling ship
My senses have been stripped
My hands can't feel to grip
My toes too numb to step
Wait only for my boot-heels to be wandering

I'm ready to go anywhere
I'm ready for to fade
Into my own parade
Cast your dancing spell my way
I promise to go under it
 3. Though you might hear laughing, spinning
Swinging madly through the sun
It's not aimed at anyone
It's just escaping on the run
And but for the sky there are no fences facing

And if you hear vague traces of skipping reels of
rhyme
To your tambourine in time
It's just a ragged clown behind
I wouldn't pay it any mind
It's just a shadow you're seeing that he's chasing
 4. Take me disappearing through the smoke rings of
my mind
Down the foggy ruins of time
Far past the frozen leaves
The haunted frightened trees
Out to the windy beach

Far from the twisted reach of crazy sorrow
Yes to dance beneath the diamond sky with one
hand waving free
Silhouetted by the sea
Circled deep beneath the waves
Let me forget about today until tomorrow

40 Ballad of Hollis Brown

Bob Dylan

1. Hollis Brown, he lived
From the outside of town
Hollis Brown, he lived
From the outside of town
With his wife and five children
And his cabin brokin' down
2. He looked for work and money
And he walked a rugged mile
He looked for work and money
And he walked a rugged mile
You children are so hungry
That they don't know how to smile
3. Your baby's eyes look crazy
They're a tuggin' at you sleeve
Your baby's eyes look crazy
They're a tuggin' at you sleeve
You walk the floor and wonder why
With every breath you breathe
4. The rats have got your flour
Bad blood it got your mare
The rats have got your flour
Bad blood it got your mare
Is there anyone that knows
Is there anyone that cares?
5. He prayed the Lord above
Oh please send you a friend
He prayed the Lord above
Oh please send you a friend
You ain't a got no money boy
You ain't a got no friend
6. Your baby's eyes are crying louder
It's pounding on your brain
Your baby's eyes are crying louder
It's pounding on your brain
You wife's screams are stabbin'
Like the dirty drivin' rain
7. Your grass is turning black
There's no water in your well
Your grass is turning black
There's no water in your well
You spent your last dollar
On seven shot-gun shells
8. Way out in the wildness
A cold coyote calls
Way out in the wildness
A cold coyote calls
Your eyes fix on a shot-gun
That's hangin' on the wall
9. Your brain is a bleedin'
And your legs can't seem to stand
Your brain is a bleedin'
And your legs can't seem to stand
Your eyes fix on the shot-gun
That you're holding in your hand
10. There's seven breezes a blowin'
All around the cabin door
There's seven breezes a blowin'
All around the cabin door
Seven shots sing out
Like the ocean's pounding roar

11. There's seven people dead
On a South Dakota farm
There's seven people dead
On a South Dakota farm
Somewhere in the distance
There's seven new people born

41 The times they are a-changin'

Bob Dylan

1. Come gather 'round people
Where ever you roam
And admit that waters
Around you have grown
And accept it that soon
You'll be drenched to the bone
If your time to you is worth savin'
Then you better start swimmin'
Or you'll sink like a stone
For the times they are a-changin'
2. Come writers and critics
Who prophecies with your pen
And keep your eyes wide
The chance won't come again
And don't speak too soon
For the wheel's still in spin
And there's no tellin' who
That it's naming
For the loser now
Will be later to win
For the times they are a-changin'
3. Come mothers and fathers
Throughout the land
And don't criticize
What you can't understand
Your sons and your daughters
Are beyond your command
Your old road is
Rapidly aging
Please get out of the new one
If you can't lend your hand
For the times they are a-changin'
4. Come senators, congressmen
Please heed the call
Don't stand in the doorway
Don't block up the hall
For he that gets hurt
Will be he who has stalled
There's a battle
Outside and it's ragin'
It'll soon shake your windows
And rattle your walls
For the times they are a-changin'
5. The line it is drawn
The curse it is cast
The slow one now will
Later be fast
As the present now
Will later be past
The order is rapidly fadin'
And the first one now
Will later be last
For the times they are a-changin'

42 No woman, no cry

Bob Marley

No woman, no cry
No woman, no cry
(×2)

1. Said I remember when we used to sit
In the government yard in Trenchtown
Oba, ob-serving the hypocrites
As they would mingle with the good people we meet

Good friends we have had, oh good friends we've lost
Along the way
In this bright future, you can't forget your past
So dry your tears I say
2. Said I remember when we used to sit
In the government yard in Trenchtown
And then Georgie would make the fire light
Log wood burnin' through the night

Then we would cook corn meal porridge
Of which I'll share with you
My feet is my only carriage
So I've got to push on through

But while I'm gone
: Everything's gonna be alright
: Everything's gonna be alright
: (×4)

43 Redemption song

Bob Marley

1. Old pirates, yes, they rob I
Sold I to the merchant ships
Minutes after they took I
From the bottomless pit

But my hand was made strong
By the hand of the Almighty
We forward in this generation
Triumphantly

Won't you help to sing
These songs of freedom?
'Cause all I ever have
Redemption songs (×2)
2. Emancipate yourselves from mental slavery
None but ourselves can free our minds
Have no fear for atomic energy
'Cause none of them can stop the time

How long shall they kill our prophets
While we stand aside and look?
Yes, some say it's just a part of it
We've got to fulfill the book

44 Against the wind

Bob Seger

1. It seems like yesterday
But it was long ago
Janey was lovely, she was the queen of my nights
There in the darkness with the radio, playing low

And the secrets that we shared
The mountains that we moved
Caught like wildfire out of control
Till there was nothing left to burn and nothing left
to prove

And I remember what she said to me
How she swore that it never would end
I remember how she held me, oh so tight
Wish I didn't know now what I didn't know then

Against the wind
We were running against the wind
We were young and strong
We were running against the wind

2. And the years rolled slowly past
And I found myself alone
Surrounded by strangers I thought were my friends
I found myself further and further from my home

And I guess I lost my way
There were oh, so many roads
I was living to run, and running to live
Never worrying about paying, or even how much I
owed

Runnin' 8 miles a minute for months at a time
Breaking all of the rules that would bend
I begin to find myself just searching
Searching for shelter again and again

Against the wind
A little something against the wind
I found myself
Seeking shelter against the wind

First and second stanzas instrumental

3. Well those drifter's days are past me now
I've got so much more to think about
Deadlines and commitments
What to leave in? What to leave out?

Against the wind
I'm still running against the wind
I'm older now
but still running against the wind

45 Don't worry, be happy

Bobby McFerrin

1. Here's a little song I wrote
You might want to sing it note for note
Don't worry, be happy

In every life we have some trouble
When you worry you make it double
Don't worry, be happy
(*Don't worry be happy now*)

Uh uh uh uh uh
Uh uh uh uh uh uh uh
Don't worry
Uh uh uh uh uh uh uh
Be happy
Uh uh uh uh uh
Don't worry, be happy
 2. Ain't got no place to lay your head
Somebody came and took your bed
Don't worry, be happy.

The landlord say your rent is late
He may have to litigate
Don't worry, be happy
(*Look at me I'm happy*)
 3. Ain't got no cash, ain't got no style
Ain't got no gal to make you smile
Don't worry, be happy.

'Cause when you worry your face will frown
And that will bring everybody down

(*Don't worry be happy now*)

46 Always

Bon Jovi

1. This romeo is bleeding
But you can't see his blood
It's nothing but some feelings
That this old dog kicked up

It's been raining since you left me
Now I'm drowning in the flood
You see I've always been a fighter
But without you I give up

Now I can't sing a love song
Like the way it's meant to be
Well, I guess I'm not that good anymore
But baby, that's just me

Yeah, I will love you baby
Always
And I'll be there forever and a day
Always

- I'll be there till the stars don't shine
 - Till the heavens burst and the words don't rhyme
 - And I know when I die, you'll be on my mind
 - And I'll love you
 - Always
2. Now you're pictures that you left behind
Are just memories of a different life
Some that made us laugh, some that made us cry
One that made you have to say goodbye

What I'd give to run my fingers through your hair
To touch your lips, to hold you near
When you say your prayers try to understand
I've made mistakes, I'm just a man

When he holds you close, when he pulls you near
When he says the words you've been needing to hear
I'll wish I was him 'cause those words are mine
To say to you till the end of time

Yeah, I will love you baby
Always
And I'll be there forever and a day
Always

- If you told me to cry for you
- I could
- If you told me to die for you
- I would
- Take a look at my face
- There's no price I won't pay to say these words to you

- Well, there ain't no luck in these loaded dice
- But baby if you give me just one more try
- We can pack up our old dreams and our old lives
- We'll find a place where the sun still shines

Yeah, I will love you baby
Always
And I'll be there forever and a day
Always

- I'll be there till the stars don't shine
 - Till the heavens burst and the words don't rhyme
 - And I know when I die, you'll be on my mind
 - And I'll love you
 - Always

47 Rivers of Babylon

Boney M

*By the rivers of Babylon, there we sat down
Ye-eah we wept, when we remembered Zion
By the rivers of Babylon, there we sat down
Ye-eah we wept, when we remembered Zion*

1. When the wicked
Carried us away in captivity
Required from us a song
Now how shall we sing the lord's song in a strange land (×2)
2. Let the words of our mouth and the meditations of our heart
Be acceptable in thy sight here tonight
3. Let the words of our mouth and the meditations of our heart

48 I don't like Mondays

Boomtown rats

1. The silicon chip inside her head gets switched to overload
And nobody's gonna go to school today, she's gonna
Make them stay at home
And daddy doesn't understand it,
He always said she was good as gold
And he can see no reasons, cos there are no reasons
What reasons do you need to be shown?

*Tell me why I don't like Mondays
Tell me why I don't like Mondays
Tell me why I don't like Mondays
I wanna shoot, Oo-oo-oo-oo-oooh
The whole day down*

2. The Telex machine is kept so clean,
And it types to a waiting world
And Mother feels so shocked; Father's world is rocked
And their thoughts turn to their own little girl
Sweet sixteen ain't that peachy keen
No, it ain't so neat to admit defeat
They can see no reasons cos there are no reasons
What reasons do you need?
 3. And all the
Playing's stopped in the playground, now.
She wants to play with her toys a while
And school's out early and soon we'll be learning
And the lesson today is how to die
And then the bullhorn crackles, and the captain tackles
With the problems and the how's and why's
And he can see no reasons, cos there are no reasons
What reason do you need to die, die? Ooohh

49 Fields of Athenry

Booze Brothers

1. By a lonely prison wall
I heard a young girl calling:
“Michael, they’ve taken you away
For you stole Trevelyan’s corn
So the young might see the morn’
Now the prison ship lies waiting in the bay”

*Low lie the fields of Athenry
Where once we watched the small free birds fly
Our love was on the wing
We had dreams and songs to sing
It’s so lonely round the fields of Athenry*

2. By a lonely prison wall
I heard a young man calling:
“Nothing matters Mary when you’re free
Against the famine and the crown
I rebelled they ran me down
You must now raise our child with dignity”
3. By a lonely prison wall
She watched the last star falling
As the prison ship sailed out against the sky
But she’ll hope and wait and pray
For her love in Botany Bay
It’s lonely ’round the fields of Athenry

50 I want sex

That’s what you read in your magazines
But all you have to fear i

Bring 'em home, bring 'em home
Bring them back from overseas
Bring 'em home, bring 'em home
2. It will make the politicians sad, I know
Bring 'em home, bring 'em home
They wanna tangle with their foe
Bring 'em home, bring 'em home

Bring 'em home, bring 'em home
With the blood of you and me
Bring 'em home, bring 'em home
4. Now we'll give no more brave young lives
Bring 'em home, bring 'em home
For the gleam in someone's eyes
Bring 'em home, bring 'em home
5. The men will cheer and the boys will shout
Bring 'em home, bring 'em home
Yeah and we will all turn out
Bring 'em home, bring 'em home
6. The church bells will ring with joy
Bring 'em home, bring 'em home
To welcome our darlin', girls and boys
Bring 'em home, bring 'em home
7. We will lift their voice and song
Bring 'em home, bring 'em home
When Johnny comes marching home
Bring 'em home, bring 'em home

54 Buffalo gals

Bruce Springsteen

1. As I was walking down the street
Down the street, down the street
A pretty girl I chanced to meet
And we danced by the light of the moon
*Buffalo gals won't you come out tonight
Come out tonight, come out tonight
Buffalo gals won't you come out tonight
And we'll dance by the light of the moon*
 2. I danced with a gal with a hole in her stocking

a rockin'
I danced with a gal with a hole in her stocking
And we danced by the light of the moon

55 John Henry

Bruce Springsteen

- One, two, three
1. Well, John Henry was a little baby
Sittin' on his dad's knee
He pick up a hammer and a little piece of steel
And, "God, hammer's gonna be the death of me,
Lord, Lord
Hammer's gonna be the death of me"
 2. Now the captain he said to John Henry
"I'm gonna bring that steam drill 'round
I'm gonna bring that steam drill out on these tracks
I'm gonna knock that steel on down, God, God
Gonna knock that steel on down"
 3. John Henry told his captain
"Lord, man ain't nothin' but a man
Before I let that steam drill beat me down
I'm gonna die with a hammer in my hand, Lord,
Lord
Die with a hammer in my hand"
 4. John Henry driving on the right side
That steam drill driving on the left
Says, "Before I'll let your steam drill beat me down
I'm gonna hammer myself to death, Lord, Lord
I'll hammer my fool self to death"
 5. Well, captain said to John Henry
"What is that stone out here?"
John Henry said, "That ain't no stone
Captain, that's just my hammer in here, Lord, Lord
That's just my hammer in here"
 6. John Henry said to his shaker
"Shaker, why don't you sing?
'Cause I'm swigging thirty pounds from my hips on
down
Yeah, listen to my cold steel ring, Lord, Lord
Listen to my cold steel ring"
 7. Now John Henry, he hammered in the mountains
His hammer was striking fire
But he worked so hard, he broke his heart
John Henry laid his hammer and died, Lord, Lord
John Henry laid down his hammer and died
 8. Well, now John Henry, he had him a woman
Her name was Polly Ann
She walked down to those tracks, picked up John
Henry's hammer
Polly drove steel like a man, Lord, Lord
Polly drove that steel like a man
 9. Well every, every Monday morning
When the bluebird he begin to sing
You can hear John Henry from a mile or more
You can hear John Henry's hammer ring, Lord, Lord
You can hear John Henry's hammer ring

Say that again!
So you can hear John Henry's hammer ring, Lord,
Lord
You can hear John Henry's hammer ring
Come on!
-

56 Mrs. McGrath

Bruce Springsteen

1. "Oh, Mrs. McGrath", the sergeant said
"Would you like to make a soldier out of your son
Ted
With a scarlett coat and a big cocked hat
Oh, Mrs. McGrath, wouldn't you like that?"

*With your too-ri-a, fol-di-diddle-da
Too-ri, oor-ri, oor-ri-a
With your too-ri-a, fol-di-diddle-da
Too-ri, oor-ri, oor-ri-a*

2. Now, Mrs. McGrath lived on the shore
For the space of seven long years or more
She spied a ship coming into the bay
With her son from far away

"Oh captain dear, where have you been
You've been sailing the Mediterranean
Have you news of my son Ted
Is he living or is he dead?"
3. Up came Ted without any legs
And in their place, two wooden pegs
She kissed him a dozen times or two
And said, "My god, Ted is it you?"

"Now, were you drunk or were you blind
When you left your two fine legs behind?
Or was it walking upon the sea
That wore your two fine legs away?"
4. "No, I wasn't drunk and I wasn't blind
When I left my two fine legs behind
A cannon ball on the fifth of May
Tore my two fine legs away"

"Oh, Teddyboy", the widow cried
"Your two fine legs were your mother's pride
Stumps of a tree won't do at all
Why didn't you run from the cannon ball?"
5. "All foreign wars I do proclaim
Live on the blood and the mothers' pain
I'd rather have my son as he used to be
Than the king of America and his whole Navy"

Bruce Springsteen

1. Well if I could I surely would
Stand on the rock where Moses stood
Pharaoh's army got drowned

O Mary, don't you weep, don't you mourn
Pharaoh's army got drowned
O Mary, don't you weep*

On every link was Jesus' name

Mon seul espace pour m'évader

And the rules of life I'm still learning
Turn me round, turn me round
Well people for years I gathered the tears
I looked for the frowns on your faces
Now I walk down the street
And the people that I meet
One by one I've met thousands
And that's why that I feel
That to give is the fruit
The fruit of living our lives

But I'm happy

I know, I have to go
 4. It's not time to make a change
Just sit down and take it slowly
You're still young, that's your fault
There's so much you have to go through

Find a girl, settle down
If you want, you can marry
Look at me, I am old
But I'm happy
 5. All the times, that I've cried
Keeping all the things I knew inside
And it's hard
But it's harder to ignore it

That I have to go away
I know, I have to go

Still a little bit of your face I haven't kissed
You step a little closer each day

83 Bad day

Daniel Powter

1. Where is the moment when we need it the most
You kick up the leaves and the magic is lost
They tell me your blue sky's faded to grey
They tell me your passion's gone away
And I don't need no carrying on
2. Stand in the line just ahead of the law
You're faking a smile with the coffee you go
You tell me your life's been way off line
You're falling to pieces everytime
And I don't need no carrying on

*'Cause you had a bad day
You're taking one down
You sing a sad song just to turn it around
You say you don't know
You tell me don't lie
You work at a smile and you go for a ride
You had a bad day
The camera don't lie
You're coming back down and you really don't mind
You had a bad day
You had a bad day*

- Well you need a blue sky holiday
- The point is they laugh at what you say
- And I don't need no carrying on

- Sometimes the system goes on the blink
- And the whole thing it turns out wrong
- You might not make it back and you know
- That you could be well oh that strong
- Well I'm not wrong
- Yeah...

- So where is the passion when you need it the most
- Oh you and I
- You kick up the leaves and the magic is lost

*Cause you had a bad day
You're taking one down
You sing a sad song just to turn it around
You say you don't know
You tell me don't lie
You work at a smile and you go for a ride
You had a bad day
It seem what you like
And how does it feel for one more time
You had a bad day
You had a bad day*

84 Brothers in arms

Dire Straits

1. These mist-covered mountains
Are a home now for me
But my home is the lowlands
And always will be
Some day you'll return to
Your valleys and your farms
And you'll no longer burn
To be brothers in arms
 2. Through these fields of destruction
Baptisms of fire
I've witnessed your suffering
As the battles raged higher
And though they hurt me so bad
In the fear and alarm
You did not desert me
My brothers in arms
 - There's so many different worlds
· So many different suns
· And we have just one world
· But we live in different ones
 3. Now the sun's gone to hell
And the moon's riding high
Let me bid you farewell
Every man has to die
But it's written in the starlight
And every line on your palm
We're fools to make war
On our brothers in arms
-

85 Romeo and Juliet

Dire Straits

1. A lovestruck Romeo sings the streets a serenade
Laying everybody low with a love song that he made
Finds a street light steps out into the shade
Says something like you and me babe, how about it ?

Juliet says hey it's Romeo, you nearly gave me a heart attack
He's underneath the window, she's singing hey la my boyfriends back
you shouldn't come around here singing up to people like that
Anyway, what you gonna do about it ?

*Juliet the dice was loaded from the start
And I bet, and you exploded in my heart
And I forget, I forget, the movie song
When you gonna realize it was just that the time was wrong Juliet ?*
 2. Come up on different streets, they both the streets of shame
Both dirty both mean, yes and even and dream was just the same
And I dreamed your dream for you and now your dream is real
How can you look at me as if I was just another part of your deal

Well you can fall for chains of silver, you can fall for chains of gold
you can fall for pretty strangers and the promises they hold
You promised me everything, you promised me thick and thin yeah
Now you just say oh Romeo yeah, I used to have a scene with him

*Juliet when we made love you used to cry
You said I love you like the stars above I'll love you till I die
There's a place for us, you know the movie song
When you gonna realize it was just that the time was wrong Juliet ?*
 3. I can't do the talk, like they talk on the TV
I can't do a love song, like the way it's meant to be
I can't do anything, but I'd do anything for you
I can't do anything but be in love with you

And all I do is miss you and the way we used to be
All I do is keep the beat and bad company
All I do is kiss you through the bars of a rhyme
Juliet I'd do the stars with you anytime

 And there's nothing I can do to keep
 From crying when he calls your name Jolene

 How you could easily take my man
 But you don't know what he means to me Jolene

I'm begging of you please don't take my man
Jolene, Jolene, Jolene, Jolene

87 American Pie

Don McLean

1. A long, long time ago,
I can still remember how that music used to make me smile
And I know if I had my chance
That I could make those people dance and maybe they'd be happy for a while
But February made me shiver, with every paper I'd deliver
Bad news on the doorstep, I couldn't take one more step
I can't remember if I cried when I read about his widowed bride
Something touched me deep inside
The day the music died

*So bye, bye Miss American Pie
Drove my Chevy to the levy but the levy was dry
And them good old boys were drinkin' whiskey and rye
Singin' this will be the day that I die, this will be the day that I die*
 2. Did you write the book of love
And do you have faith in god above, if the bible tells you so?
Do you believe in rock and roll
Can music save your mortal soul and can you teach me how to dance real slow?
Well I know that you're in love with him 'cuz I saw you dancin' in the gym
You both kicked off your shoes, man I dig those rhythm and blues
I was a lonely teenage broncin' buck with a pink carnation and a pickup truck
But I knew I was out of luck the day the music died, I started singin'
 3. Now for ten years we've been on our own
And moss grows fat on a rolling stone but that's not how it used to be
When the jester sang for the king and queen
In a coat he borrowed from James Dean in a voice that came from you and me
And while the king was looking down, the jester stole his thorny crown
The courtroom was adjourned, no verdict was returned
And while Lenin read a book on Marx, the quartet practiced in the park
And we sang dirges in the dark the day the music died, we were singin'
 4. Helter skelter in a summer swelter
The birds flew off with a fallout shelter, eight miles high and fallin' fast
It landed foul on the grass
The players tried for a forward pass, with the jester on the sidelines in
A cast
Now at halftime there was sweet perfume, while sergeants played a marching
Tune
We all got up to dance, but we never got the chance
Cuz the players tried to take the field, the marching band refused to yield
Do you recall what was the feel the day the music died, we started singin'
 5. And there we were all in one place
A generation lost in space, with no time left to start again
So come on Jack be nimble, Jack be quick, Jack Flash sat on a candle
Stick, 'cuz fire is the devil's only friend
And as I watched him on the stage, my hands were clenched in fists of rage
No angel born in Hell could bread that Satan's spell
And as the flames climbed high into the night to light the sacrificial rite
I saw Satan laughing with delight the day the music died, he was singin'
 6. I met a girl who sang the blues
And I asked her for some happy news, but she just smiled and turned away
I went down to the sacred store
Where I'd heard the music years before, but the man there said the music
Wouldn't play
But in the streets the children screamed, the lovers cried and the poets
Dreamed
But not a word was spoken, the church bells all were broken
And the three men I admire most, the Father, Son, and the Holy Ghost
They caught the last train for the coast the day the music died
And they were singin'

88 Dirty glass

Dropkick Murphys

Murphy, Murphy, darling dear
I long for you now night and day
Your pain was my pleasure, your sorrow my joy
I feel now I've lost you to health and good cheer

1. Darcy, when I met you I was five years too young
A boy beyond his age, or so I'd tell someone
Anyone who'd listen and a few who couldn't care
Still I welcomed you with open arms, my love I did share

*Darcy, Darcy darling dear
You left me dying, crying there
In whiskey, gin, and pints of beer
I fell for you my darling dear*

2. You shut me off and you showed me the door
But you always came crawling back begging me for more
I showed you kindness, a stool, and a tab
Then you poured me my pain in a dirty glass
(Yeah, you left him bloody, battered, penniless, and poor)
You know, I often stopped and wondered how you made it through my door
With my brother's new non-duplicate registry ID
Well you bit off more than you could chew the first day you met me
3. You weren't the first to court me mister you won't be the last
Oh, sure I wasn't honey, I know all about your past
Listen to the big shot with his pager on call
You spent most of those nights in my bathroom stall
(Yeah, you got him high, but you left him low)
Mind your own business, boy, how was I to know
That he was just a fiend and a no-good cheat
Well it's all in the past bitch 'cause now I've got it beat

89 Save Tonight

Eagle-Eye Cherry

1. Go on and close the curtains
Cause all we need is candle light
You and me and a bottle of wine
Going to hold you tonight
Well we know I'm going away
And how I wish, I wish it weren't so
So take this wine and drink with me
Let's delay our misery

*Save tonight
And fight the break of dawn
Come tomorrow
Tomorrow I'll be gone*

2. There's a log on the fire
And it burns like me for you
Tomorrow comes with one desire
To take me away it's true
It ain't easy to say goodbye
Darling please don't start to cry
Cause girl you know I've got to go, oh
Lord I wish it wasn't so
: Tomorrow comes to take me away
: I wish that I, that I could stay
: Girl you know I've got to go, oh
: Lord I wish it wasn't so

1. On a dark desert highway
Cool wind in my hair
Warm smell of colitas
Rising up through the air
Up ahead in the distance
I saw a shimmering light
My head grew heavy and my sight grew dim
I had to stop for the night

2. There she stood in the doorway
I heard the mission bell
And I was thinking to myself
This could be heaven or this could be hell
Then she lit up a candle
And she showed me the way
There were voices down the corridor
I thought I heard them say

Welcome to the Hotel California
Such a lovely place (such a lovely place)
Such a lovely face
Plenty of room at the Hotel California
Any time of year (any time of year)
You can find it here

3. Her mind is Tiffany twisted
She got the Mercedes bends
She got a lot of pretty, pretty boys
That she calls friends
How they dance in the courtyard
Sweet summer sweat
Some dance to remember
Some dance to forget

4. So I called up the captain
"Please bring me my wine"
"We haven't had that spirit here
Since nineteen sixty-nine"
And still those voices are calling from
Far away
Wake you up in the middle of the night
Just to hear them say

Welcome to the Hotel California
Such a lovely place (such a lovely place)
Such a lovely face
They livin' it up at the Hotel California
What a nice surprise (what a nice surprise)
Bring your alibis

5. Mirrors on the ceiling
The pink champagne on ice (*and she said*)
"We are all just prisoners here
Of our own device"
And in the master's chambers
They gathered for the feast
They stab it with their steely knives
But they just can't kill the beast

6. Last thing I remember
I was running for the door
I had to find the passage back
To the place I was before
"Relax" said the nightman
"We are programmed to receive
You can check out anytime you like
But you can never leave"

1. On bended knee is no way to be free
Lifting up an empty cup, I ask silently
All my destinations will accept the one that's me
So I can breathe ...
 2. Circles they grow and they swallow people whole
Half their lives they say goodnight to wives they'll never know
A mind full of questions and a teacher in my soul
And so it goes ...
 3. Don't come closer or I'll have to go
Holding me like gravity are places that pull
If ever there was someone to keep me at home
It would be you ...
 4. Everyone I come across in cages they bought
They think of me and my wandering but I'm never what they thought
I've got my indignation but I'm pure in all my thoughts
I'm alive ...
 5. Wind in my hair, I feel part of everywhere
Underneath my being is a road that disappeared
Late at night I hear the trees, they're singing with the dead
Overhead ...
 6. Leave it to me as I find a way to be
Consider me a satellite, forever orbiting
I knew all the rules but the rules did not know me
Guaranteed ...

92 Hey man

Els

1. Do you know what it's like to fall on the floor
And cry your guts out 'til you got no more
Hey man, now you're really living
 2. Have you ever made love to a beautiful girl
Made you feel like it's not such a bad world
Hey man, now you're really living
- Now you're really giving everything
And you're really getting all you gave
How you're really living what
This life is all about*
3. Well I just saw the sun rise over the hill
Never used to give me much of a thrill
But hey man, now I'm really living
 4. Do you know what it's like to care too much
'bout someone that you're never gonna get to touch
Hey man, now you're really living
 5. Have you ever sat down in the fresh cut grass
And thought about the moment and when it will
pass
Hey man, now you're really living
 6. Now what would you say if I told you that
Everyone thinks you're a crazy old cat
Hey man, now you're really living
 7. Do you know what it's like to fall on the floor
And cry your guts out 'til you got no more
Hey man, now you're really living
 8. Have you ever made love to a beautiful girl
Made you feel like it's not such a bad world
Hey man, now you're really living
 9. Do you know what it's like to fall on the floor
And cry your guts out 'til you got no more
Hey man, now you're really living
 10. Just saw the sun rise over the hill
Never used to give me much of a thrill
But hey man, now I'm really living

93 I like birds

Els

1. I can't look at the rocket launch
The trophy wives of the astronauts
And I won't listen to their words
'cause I like birds
 2. I don't care for walkin' downtown
Crazy auto-car gonna mow me down
Look at all the people like cows in a herd
Well, I like birds
- If you're small and on a search
I've got a feeder for you to perch on*
3. I can't stand in line at the store
The mean little people are such a bore
But it's alright if you act like a turd
'cause I like birds

94 Packing blankets

Els

1. Today is a lovely day to run
Start up the car with the sun
- Packing blankets and dirty sheets
A roomful of dust and a broom to sweep up
All the troubles you and I have seen*
2. Cross when the drawbridge light is green
Don't look back to that messed-up scene
 3. And all our troubles will be gone
Blowing out over the bridge
Floating up into the sky
Making the storm clouds cry
 4. Put out that smoke and breath some air
Get a new name and cut your hair

95 Dirty girl

Els

1. I like a girl with a dirty mouth
Someone that I can believe
We had a window not open too long
But that time is good and gone
- And if I ever see her again
She's walking by with some new guy
I know that we will need to pretend
And hope our eyes keep telling lies*
2. Sit on the back porch and wonder about her
What is she doing right now?
Making somebody a happier man
Dying her hair back to brown
 3. Once in a while your life gets so good
Worth all the trouble of the past?
That was the case but I think I always knew
Good things don't ever last
 4. I like a girl with a dirty mouth
Know that I can trust her
We had our time but it didn't last too long
And that time is good and gone (×3)

96 Candle in the wind

Elton John

1. Goodbye Norma Jean, though I never knew you at all
You had the grace to hold yourself while those around you crawled
They crawled out of the woodwork and they whispered into your brain
They sent you on a treadmill and they made you change your name

*And it seems to me you lived your life
Like a candle in the wind
Never knowing who to cling to when the rain set in
And I would have liked to've known you but I was just a kid
Your candle burned out long before your legend ever did*
2. Loneliness was tough, the toughest role you ever played
Hollywood created a superstar and pain was the price you paid
And even when you died, oh, the press still hounded you
All the papers had to say was that Marilyn was found in the nude
3. Goodbye Norma Jean, though I never knew you at all
You had the grace to hold yourself while those around you crawled
Goodbye Norma Jean, from a young man in the twenty second row
Who sees you as something more than sexual, more than just our Marilyn Monroe

97 Your Song

Elton John

1. It's a little bit funny this feeling inside
I'm not one of those who can easily hide
I don't have much money but, boy if I did
I'd buy a big house where, we both could live
If I was a sculptor, but then again, no
Or a man who makes potions in a traveling show
I know it's not much, but it's the best I can do
My gift is my song and, this one's for you

*And you can tell everybody, this is your song
It may be quite simple but, now that it's done
I hope you don't mind, I hope you don't mind
That I put down in words
How wonderful life is, while you're in the world*
 2. I sat on the roof and, kicked off the moss
Well a few of the verses well, they've got me quite cross
But the sun's been quite kind, while I wrote this song
It's for people like you, that keep it turned on
So excuse me forgetting but, these things I do
You see I've forgotten if they're, green or they're blue
Anyway, the thing is, what I really mean
Yours are the sweetest eyes, I've ever seen
-

98 Crocodile rock

Elton John

1. I remember when rock was young
Me and Susie had so much fun
Holding hands and skimming stones
Had an old gold Chevy and a place of my own

But the biggest kick I ever got
Was doing a thing called the *crocodile rock*
While the other kids were Rocking round the clock
We were hopping and bopping to the *crocodile rock*

*Well crocodile-rocking is something shocking
When your feet just can't keep still
I never knew me a better time and I guess I never will*

*Oh, Lawdy mama those Friday nights
When Susie wore her dresses tight
And the crocodile-rocking was out of sight*

*La, la la la la la
La la la la la, la la la la la*

2. But the years went by and the rock just died
Susie went and left us for some foreign guy
Long nights cryin' by the record machine
Dreaming of my Chevy and my old blue jeans

But they'll never kill the thrills we've got
Burning up to the *crocodile rock*
Learning fast as the weeks went past
We really thought that the *crocodile rock* would last

99 Can you feel the love tonight?

Elton John

1. There's a calm surrender
To the rush of day
When the heat of the rolling world
Can be turned away
An enchanted moment
And it sees me through
It's enough for this restless warrior
Just to be with you

*And can you feel the love tonight?
It is where we are
It's enough for this wide-eyed wanderer
That we got this far*

*And can you feel the love tonight?
How it's laid to rest?
It's enough to make kings and vagabonds
Believe the very best*

2. There's a time for everyone
If they only learn
That the twisting kaleidoscope
Moves us all in turn
There's a rhyme and reason
To the wild outdoors
When the heart of this star-crossed voyager
Beats in time with yours

4. Let's walk up to the preacher
And let us say, "I do"
Then you'll know you have me
And I'll know I'll have you too

Baby it's still you I'm thinking of*

I'm driving too fast, I'm driving too far
I'd like to change my point of view

Yesterday you told me 'bout the blue blue sky
And all that I can see
Is just a yellow lemon-tree*

I'm turning turning turning turning around
And all that I can see
Is just another lemon-tree*

I've got too many answers to find
Can I give up all I've imagined
Am I imaginal enough for this to happen

And like can lead to like like

108 Mad world

Gary Jules

1. All around me are familiar faces
Worn out places, worn out faces
Bright and early for their daily races
Going nowhere, going nowhere

Their tears are filling up their glasses
No expression, no expression
Hide my head I want to drown my sorrow
No tomorrow, no tomorrow

*And I find it kinda funny, I find it kinda sad
The dreams in which I'm dying are the best I've ever
had
I find it hard to tell you, I find it hard to take
When people run in circles it's a very very
Mad world
Mad world*

2. Children waiting for the day they feel good
Happy birthday, happy birthday
Made to feel the way that every child should
Sit and listen, sit and listen

Went to school and I was very nervous
No one knew me, no one knew me
Hello teacher tell me what's my lesson
Look right through me, look right through me

*And I find it kinda funny, I find it kinda sad
The dreams in which I'm dying are the best I've ever
had
I find it hard to tell you, I find it hard to take
When people run in circles it's a very very
Mad world
Mad world
Enlarge your world
Mad world*

1. I'm the kid that's all the candy
I'm a Yankee Doodle Dandy
I'm glad I am
(So's Uncle Sam)
I'm a real live Yankee Doodle
Made my name and fame and boodle
Just like Mister Doodle did, by riding on a pony
I love to listen to the Dixie strain
I long to see the girl I left behind me
That ain't a josh
She's a Yankee, by gosh
Oh, say can you see
Anything about a Yankee that's a phony?

*I'm a Yankee Doodle Dandy
A Yankee Doodle, do or die
A real live nephew of my Uncle Sam
Born on the Fourth of July
I've got a Yankee Doodle sweetheart
She's my Yankee Doodle joy
Yankee Doodle came to London
Just to ride the ponies
I am the Yankee Doodle Boy*
 2. Father's name was Hezekiah
Mother's name was Ann Maria
Yanks through and through
Red, White and Blue
Father was so Yankee-hearted
When the Spanish war was started
He slipped on a uniform and hopped upon a pony
My mother's mother was a Yankee true
My father's father was a Yankee too
That's going some
For the Yankees, by gum
Oh, say can you see
Anything about my pedigree that's phony?

110 To each and everyone

Gerry Raerty

1. To each and every one of you
I say goodbye, farewell, of you
To each and all I say goodbye
I know it's been fun but we're living a lie
2. You said you spoke straight from your heart
But that was the one thing that kept us apart
'Cause when I read between the lines
I saw that the only heart speaking was mine

*To each and everyone of you
I say goodbye, indeed I do
If you should ask me why I go
I wouldn't say 'cause you should know*

3. When everything is said and done
Nothing's been lost and nothing's been won
I took from you, you took from me
But I suppose that's how it had to be
-

111 Oh no

Gogol Bordello

1. Sometimes when facing common trouble
When whole town is screwed
We become actually human
Act like Prometheus would

Suddenly there is more humor
And a party tabor style
People ringing one another
"Yo man, how was your blackout?"
2. Suddenly there is more music
Made with buckets in a park
Girls are dancing with the flashlights
I got only one guitar

And you see brothers and sisters
All engaged in sport of help
Making merry out of nothing
Like in refugee camp

*Oh yeah, oh no, it doesn't have to be so
It is possible any time anywhere
Even without any dough
Oh yeah, oh no, it doesn't have to be so
The forces of creative mind are unstopapapapable!*

3. And you think, alright now people
They have finally woke up
But as soon as trouble over
Watch them take another nap

Now nobody's making merry
Only trotting scared of boss
Everybody's making hurry
For some old forgotten cause
 4. But one thing surely eternal
It's condition of a man
Who don't know where he is going
Who don't know where does he stand

Who's dream power is a bottle
Put away in dry dark place
Who's youth power is well buried
Under propaganda waves

Who's dream life in opposition
To the life during the day
Who's beaten down in believing
It just kinda goes this way!
-

112 Alcohol

G ogol Bordello

1. Yeah, oh yeah, you seen me walk
On burning bridges
Yeah, oh yeah, you seen me fall
In love with witches
And you know my head is held
Inside by stitches
Yet, you know I did survive
All of your lovely sieges

*And you know that I'll pick up
Every time you call
Just to thank you one more time
Alcohol
Alcohol (× 2)*

*And you know that I'll survive
Every time you come
Just to thank you one more time
For everything you've done*

2. I am sorry some of us
Given you bad name
Yeah, oh yeah, cause without you
Nothing is the same
Yeah, oh yeah, I miss you so
Every time we break up
Just to hit a higher note
Every time we make up
3. Who is crawlin' up my spine
(Alcohol)
I was waiting long long time
(Alcohol)
Now you teach me how to rhyme
(Alcohol)
Just don't stab me in the back
With a cortisol

Now forever reunite
(Alcohol)
Now you teach me how to rhyme
(Alcohol)
Screw a light bulb in my head
(Alcohol)
May that ceremony be
Happy or sad

113 Superttheory of supereverything

G ogol Bordello

1. First time I had read the Bible
It had struck me as unwitting
I think it may start a rumor
That the Lord ain't got no humor

Put me inside SSC
Let's test superstring theory
Oh yo yo yo, accelerate the protons
Ah stir it twice and then just add me, 'cause

*I don't read the Bible (Bible)
I don't trust disciple (disciple)
Even if they're made of marble
Or Canal Street bling
(× 2)*

2. From the maelstrom of the knowledge
Into labyrinth of doubt
Frozen underground ocean
Melting, nuking on my mind

Give me Everything Theory
Without Nazi uniformity
My brothers are protons (*protons*)
My sisters are neurons (*neurons*)
Ah stir it twice, it's instant family

*My brothers are protons (protons)
My sisters are neutrons (neutrons)
Ah stir it twice
Dlja prekrasnih dam*

Do you have sex maniacs
Or schizophrenics
Or astrophysicists in your family
Was my grandma anti anti
Was my grandpa bounty bounty
He he he he
They ask in embassy

*And my grandma, she was anti
And my grandpa, he was bounty
Ah stir it twice
And then just add me*

 2. Lord I want to be more lovin'
In my heart, in my heart

In my heart, in my heart
In my heart, in my heart
Lord I want to be more lovin'
In my heart, in my heart
 3. Lord I want to be more holy
In my heart, in my heart
Lord I want to be more holy
In my heart, in my heart
In my heart, in my heart
Lord I want to be more holy
In my heart, in my heart
 4. Lord I want to be like Jesus
In my heart, in my heart
Lord I want to be like Jesus
In my heart, in my heart
In my heart, in my heart
Lord I want to be like Jesus
In my heart, in my heart

115 Somebody that I used to know

Gotye

1. Now and then I think of when we were together
Like when you said you felt so happy you could die
Told myself that you were right for me
But felt so lonely in your company
But that was love and it's an ache I still remember

2. You can get addicted to a certain kind of sadness
Like resignation to the end, always the end
So when we found that we could not make sense
Well you said that we would still be friends
But I'll admit that I was glad that it was over

*But you didn't have to cut me off
Make out like it never happened and that we were nothing
And I don't even need your love
But you treat me like a stranger and that feels so rough
You didn't have to stoop so low
Have your friends collect your records and then change your number
I guess that I don't need that though
Now you're just somebody that I used to know*

3. Now and then I think of all the times you screwed me over
But had me believing it was always something that I'd done
And I don't wanna live that way reading into every word you say
You said that you could let it go and I wouldn't catch you hung up on somebody that you used to know

Green Day

1. Don't wanna be an American idiot
Don't want a nation under the new media
And can you hear the sound of hysteria?
The subliminal mind fuck America

*Welcome to a new kind of tension
All across the alien nation
Where everything isn't meant to be okay
Television dreams of tomorrow
We're not the ones who are meant to follow
For that's enough to argue*

2. Well maybe I am the faggot America
I'm not a part of a redneck agenda
Now everybody do the propaganda
And sing along to the age of paranoia
3. Don't want to be an American idiot
One nation controlled by the media
Information age of hysteria
It's going out to idiot America

117 Boulevard of broken dreams

Green Day

1. I walk a lonely road
The only one that I have
Ever known. Don't know where it goes
But it's home to me and I walk
Alone

2. I walk this empty street
On the Boulevard of Broken Dreams
Where the city sleeps
And I'm the only one and I walk
Alone

I walk alone, I walk alone
I walk alone, I walk a ...

*My shadow's the only one that walks beside me
My shallow heart's the only thing that's beating
Sometimes I wish someone out there will find me
'Til then I walk alone*

Ah-ah, Ah-ah, Ah-ah, Ah-ah
Ah-ah, Ah-ah, Ah-ah

3. I'm walking down the line
That divides me somewhere in
My mind. On the border line
Of the edge and where I walk
Alone

4. Read between the lines
What's fucked up and everything's
Alright. Check my vital signs
To know I'm still alive and I walk
Alone

Ah-ah, Ah-ah, Ah-ah, Ah-ah
Ah-ah, Ah-ah

5. I walk this empty street
On the Boulevard of Broken Dreams
Where the city sleeps
And I'm the only one and I walk
A ...

118 Minority

Green Day

*I wanna be the minority
I don't need your authority
Down with the moral majority
'cause I wanna be the minority*

1. I pledge allegiance to the underworld
One nation under dog there of which I stand alone
A face in the crowd, unsung, against the mob
Without a doubt, singled out, the only way I know

┆ Stepped out of the line
┆ Like a sheep runs from the herd
┆ Marching out of time
┆ To my own beat now

2. One light, one mind, flashing in the dark
Blinded by the silence of a thousand broken hearts
"For crying out loud", she screamed unto me
A free for all, fuck 'em all, you are your own sight

119 Misery

Green Day

1. Virginia was a lot lizard from F.L.A.
She had a compound fracture in the trunk
It started when she ran away
Thumbs out on the interstate
She hitched a ride to misery
2. Mr. Whirly had a catastrophic incident
He fell into the city by the bay
He liquidated his estate
Now he sleeps upon the Haight
Panhandling misery

*And he's gonna get high, high, high
When he's low, low, low
The fire burns from better days
And she screams, « Why, oh why ? »
I said, « I don't know »
The catastrophic hymns from yesterday
Of misery*

3. Vinnie was a hustler out of Amsterdam
He ran the drug cartel in Tinsel town
They found him in a cadillac
Bludgeoned with a baseball bat
In the name of misery
4. Gina hit the road to New York City
Mysteriously the night Vinnie croaked
She stopped in Vegas to elope
With Virginia and the dope
And kissed the bride eternally

*And they're gonna get high, high, high
When they're low, low, low
The fire burns from better days
And she screams, « Why, oh why ? »
I said, « I don't know »
The catastrophic hymns from yesterday
Of misery*

- Hell hounds on your trail now once again boy
- It's groping on your leg until it sleeps
- The emptiness will fill your soul with sorrow
- 'Cause it's not what you make, it's what you leave

*And we're gonna get high, high, high
When we're low, low, low
The fire burns from better days
And she screams, « Why, oh why ? »
I said, « I don't know »
The catastrophic hymns from yesterday
Of misery*

120 Bristol

Herman Dune

1. On the bus back from Bristol
We talked about death
And we talked about a friend
That I'd spent some time with once or twice a year

We got to your house
All cold and out of breath
Your child was asleep
We sat down and you offered us a beer

*You said, "Do you know what happened today?"
And I said, "No"*

2. He was family to millions
All over the evening news
But I tend to keep away
From the press, the TV and the radio

I like to keep my mind clean
When I can I always choose
To focus on what's here and
Not know what the world wants me to know

*You said, "Would you want some tea or another
drink?"
And I said, "No"*

3. We'd had sun in Bristol and
Fun with friends in London
And an awesome time as usual
On tops of hills ...in Leeds

We listened to Fred Neil
It sounded dark with the loudness on
You whispered to me
People whisper when a baby sleeps

*You said, "Will you need an extra blanket?"
And I said, "No"*

121 I wish I could see you soon

Herman Düne

1. I had to leave you and go away
But I, think about you every day
In the morning and in the afternoon
I wish that I could see you soon
 2. And when I held you I felt so fine
It was like there was, nothing left on my mind
It was like Rockaway beach in the month of June
I wish that I could see you soon
 3. I had no plans no meet you baby
I had a million things to do baby
But you hit my heart with a harpoon
I wish that I could see you soon
- How long 'till you can see her?
And I'm like, the sooner the better
Do you, really think she will wait for you?
Well I have no way to say
And there is nothing I can do (×2)*
4. Now that I am across the sea
I wonder if, you're gonna wait for me
Or if you're gonna find a new boy to spoon
I wish that I could see you soon
 5. And if you, wait a little my pretty friend
Until I, come back to hold your hand
We'll be like bugs when they break through a cocoon
I wish that I could see you soon
 6. It's been a while, since I felt like this
And now I found someone I really miss
Under the sun, under the moon
I wish that I could see you soon

122 Pure heart

Herman Düne

1. But I've got pure hearts to give to you
All they shine brighter than the stars above
I hope you know what you do
When you're turning your back on my love

And in the garden down by the pond
When the sun comes to an eclipse
Well I hope you'll respond
To the kisses that I lay on your lips

*(And your sister says)
"Do it thunder when you were born
sometimes around the fall of 1979?"
And now there's a magnetic storm
When you rest your sweet body on mine*

*And in the garbage can under trash and paper
There is a wanted man with his face on fire
And he looks down on me and he says
that he is better off the way he is
Than me with a love like yours if you go*
 2. And my enemies, they want me blind
They want to slowly see me die of thirst
Well, they should know that I don't mind
If you're holding my arm when it hurts

And I need you here to relieve me
When there's demon to find
And I'm helpless if you leave me
Like a werewolf in a full moonlight (×2)

123 When the water gets cold

Herman Düne

1. I think I'd rather wait for the winter to come
I never make a move when I'm out in the sun
I'll be ready to forgive your foolish mistake
When the water gets cold and freezes on the lake

I need a good night of sleeping, I need a little more time
I need to sleep for a few months before I make up my mind
I'll be up early in the morning and wide awake
When the water gets cold and freezes on the lake

I saw your face in a dream, I heard your name in a vision
I give myself a season before I make a decision
My knees will be steady and my hands won't shake
When the water gets cold and freezes on the lake

*There's a lot of things I'm doing I never thought I would do
There's a lot of places in the world I will never go to without you
Right now I need to stay home and I don't need your company
Right now I need to be alone and I need you to stay away from me*

2. I love the smell of your hair and the blue of your eyes
But you're far too complicated and you tell a lot of lies
I'll see what's right and what's wrong I'll see what's true and what's fake
When the water gets cold and freezes on the lake

And then I'll send out invitations to my family and friends
They will come all the way from Sweden, they will come all the way from France
My brother will bless the wine and my sister will bake a cake
When the water gets cold and freezes on the lake

Then when the time is right and when I think I understand
When I'll forget that you had run away that you had another man
You'll come to me crawling as fast as a snake
When the water gets cold and freezes on the lake
 3. And then in the white of the snow and the quiet of nature
I will ask you to stay with me no matter the temperature
And I hope you'll say "Yes" and won't try to escape
When the water gets cold and freezes on the lake

124 Your name, my game

Herman Düne

1. And see the flock of birds, black as your apartment is at night
Take off when my dog comes a-running to bite
And as they sit on their branches to watch the game
They're chanting your name
The crows at the game
They chant your name
 2. And as I drive home listening to Kimya's record on K
There's this deer with its little ones in the field off the freeway
And it's teaching its fawns who are still a bit lame
To chant your name
The baby deer still lame
They know your name
 3. And the birch trees and the pine trees behind the summer house
They raise their voices when the cigarette drops from the city boy's mouth
And when they're shit-scared that a mighty fire could start with a tiny flame
Man, they call out your name
Shit-scared of a tiny flame
Even the trees call your name
 4. And the baboon in the cage at the mercy of scientists
He is brave and he's a-showing his teeth to resist
And despite all the drugs that they are using to tame
Him, he's a-shouting your name
The baboon that no-one can tame
He's a-shouting your name

To the scientists who feel no shame
He's a-shouting your name
And when I'm lost again
Well I do the same
I shout your name

125 My friends kill my folks

Herman Düne

*My friends kill my folks in front of me
My friends kill my folks and they're not even sorry
They say the line is thick between crying and crying
They say the line is thick between dying and dying*

1. I hardly ever listen and I don't steer
But I do hear and I often peer
At the features of men through my glasses
Through my pictures and through their faces

It's the only thing that keeps me awake
Through some nights and all kinds of mornings
When you hate yourself it's the mirror you break
You won't find ears that fit your earrings
2. I once was used to killing and double talking
I wasn't writing then, not even smoking
So I know how it feels to hate your own guts
And rest your sick ego on ifs and buts

And I don't see a line and I don't give a damn
I see a surface and I feel its thickness
And what I see from where I am
Is so obvious not seeing it is a sickness

126 Be a doll and take my heart

Herman Düne

1. You make a mess of your hair
When you're sad
I'll try to make you feel better
When you'll feel bad
I will kiss on the forehead
For a start

| *Be a doll and take my heart (×4)*

2. From the last frontier
To the Sunshine state
From Volunteer
To the Empire state
We'll run around together
Never apart
3. May you live
And not die
May you never love
Another guy
May there always be a fire
Shooting from our sparks

127 Tell me something I don't know

Herman Düne

1. You are a hero, you are off the hook
I read you like a poem or a holy book
You're the kind of girl who would jump out the window
Tell me something I don't know
2. You call me at home and at the restaurant
When you feel alone and whenever you want
When I got to the movies and when I'm watching the show
Yo, tell me something I don't know

*Tell me, tell me, tell me
Tell me something I don't know
Tell me, tell me, tell me
Tell me something, tell me something
Tell me something I don't know*
3. You say why don't you go down to the record store?
I said every new band sounds like I heard them before
You say I should have lived a hundred years ago
And then I go, tell me something I don't know!
4. In the morning, it's six and your clock is beeping
You kiss me goodbye but baby I'm still sleeping
You see, I wish that I could stay with you but then I really have to go
Yo, tell me something I don't know

128 No milk today

Herman's Hermits

1. No milk today, my love has gone away
The bottle stands for lorn, a symbol of the dawn
2. No milk today, it seems a common sight
But people passing by don't know the reason why

*How could they know just what this message means
The end of my hopes, the end of all my dreams*

*How could they know the palace there had been
Behind the door where my love reigned as queen*
3. No milk today, it wasn't always so
The company was gay, we turned night into day

: But all that's left is a place dark and lonely
: A terraced house in a mean street back of town

: Becomes a shrine when I think of you only
: Just two up two down
4. No milk today, it wasn't always so
The company was gay, we turned night into day

: As music played the faster did we dance
: We felt it both at once, the start of our romance

129 The reason

Hoobastank

1. I'm not a perfect person
There's many things I wish I didn't do
But I continue learning
I never meant to do those things to you
And so I have to say before I go
That I just want you to know
*I've found a reason for me
To change who I used to be
A reason to start over new
And the reason is you*
2. I'm sorry that I hurt you
It's something I must live with everyday
And all the pain I put you through
I wish that I could take it all away
And be the one who catches all your tears
That's why I need you to hear
3. I'm not a perfect person
There's many things I wish I didn't do
But I continue learning
I never meant to do those things to you
And so I have to say before I go
That I just want you to know

130 Collide

Howie Day

1. The dawn is breaking
A light shining through
You're barely waking
And I'm tangled up in you
Yeah
*Even the best fall down sometimes
Even the wrong words seem to rhyme
Out of the doubt that fills my mind
I somehow find
You and I collide*
2. I'm open, you're closed
Where I follow, you'll go
I worry I won't see your face
Light up again
*Even the best fall down sometimes
Even the stars refuse to shine
Out of the back you fall in time
I somehow find
You and I collide*
3. I'm quiet you know
You make a first impression
I've found I'm scared to know I'm always on your
mind
*Even the best fall down sometimes
Even the wrong words seem to rhyme
Out of the back you fall in time
I somehow find
You and I collide (×3)*

131 In the death car

Iggy Pop

1. A howling wind is whistling in the night
My dog is growling in the dark
Something's pulling me outside
To ride around in circles
I know that you have got the time
Cause anything I want, you do
You'll take a ride through the strangers
Who don't understand how to feel
*In the deathcar, we're alive
In the deathcar, we're alive*
2. I'll let some air come in the window
It kind of wakes me up a little
I don't turn on the radio
Cause they play shit, like ..., you know
When your hand was down on my dick
It felt quite amazing
And now that, that is all over
All we've got is the silence
3. When I touched you I felt that
You still had your baby fat
And a little taste of baby's breath
Makes me forget about death
At your age you're still joking
It ain't time yet for the choking
So now we can own the movie
And know each other truly

132 Somewhere over the rainbow

Israel Kamakawiwo'ole

- Oo-oo Oo-oo Oo-oo Oo-oo
Oo-oo Oo-oo Oo-oo Oo-oo
1. Somewhere over the rainbow, way up high
And the dreams that you dream of once in a lullaby
Oh somewhere over the rainbow, blue birds fly
And the dreams that you dream of, dreams really do
come true
 2. Someday I'll wish upon a star
Wake up where the clouds are far behind me
Where trouble melts like lemon drops
High above the chimney tops that's where you'll find
me
 3. Oh somewhere over the rainbow, blue birds fly
And the dreams that you dare to, oh why, oh why
can't I

133 Taylor Jack Johnson

1. They say Taylor was a good girl
Never one to be late
Complain, express ideas in her brain

Working on the night shift
Passing out the tickets
You're gonna have to pay her if you want to park
here

Well mommy's little dancer has
Quite a little secret
Working on the streets now, never gonna keep it

It's quite an imposition and
Now shes only wishing
That's he would have listened to the words they said
... poor Taylor

| *She just wanders around*
| *Unaffected by*

| *The winter winds and*
| *She'll pretend that*

| *She's somewhere else*
| *So far and clear*

| *About two thousand*
| *Miles from here*
 2. Peter Patrick pitter
Patters on the window
But sunny silhouette won't let him in

Poor old Petes got nothing
Because he's been falling
Somehow sunny knows just where he's been

He thinks that singing on Sunday
Is gonna save his soul
Now that Saturday is gone

Sometimes he thinks that he's
On his way
But I can see ... that his break lights are on
 3. Such a tough enchilada
Filled up with nada
Giving what she gotta give to get a dollar bill

Used to be a limber chicken
Time's been a ticking
Now's she's finger licking to the man

With the money in his pocket
Flying in his rocket
Only stopping by on his way to a better world

If Taylor finds a better world
Then Taylor's gonna run away
-

134 I'm yours Jason Marz

1. Well you done done me and you bet I felt it
I tried to be chill but you're so hot that I melted
I fell right through the cracks
And now I'm trying to get back
Before the cool done run out I'll be giving it my
bestest
Nothing's going to stop me but divine intervention
I reckon it's again my turn
To win some or learn some

| *I won't hesitate no more, no more*
| *It cannot wait, I'm yours*

| *Well open up your mind and see like me*
| *Open up your plans and damn you're free*
| *Look into your heart and you'll find love love love*
| *Listen to the music of the moment come and dance*
| *with me*
| *I like one big family*
| *It's your God-forsaken right to be loved love love love*

| *So I won't hesitate no more, no more*
| *It cannot wait I'm sure*
| *There's no need to complicate*
| *Our time is short*
| *This is our fate, I'm yours*
 2. I've been spending way too long checking my tongue
in the mirror
And bending over backwards just to try to see it
clearer
But my breath fogged up the glass
And so I drew a new face and laughed
I guess what I'm saying is there ain't no better
reason
To rid yourself of vanity and just go with the seasons
It's what we aim to do
Our name is our virtue

| *But I won't hesitate no more, no more*
| *It cannot wait I'm yours*

| *Well open up your mind and see like me*
| *Open up your plans and damn you're free*
| *Look into your heart and you'll find that the sky is*
| *yours*
| *So please don't, please don't, please don't...*
| *There's no need to complicate*
| *'Cause our time is short*
| *This oh, this oh, this is our fate*
| *I'm yours*

133 Russians

JCFrog

1. From old Europe to Australia
There's a growing feeling of hysteria
Driven by the fear of misunderstood threats
The Dark Side wants to filter Internet

*We have the same technology
Education, for all, for free
Believe me when I tweet to you
I hope governments love Internet too*

2. Should I share my little boys
Pictures of Zuckerberg's friendly toys?
Will Google still give him the opportunity
To play like we did neutrality?

*Some hackers say, "We will protect you"
I don't subscribe to this point of view
It's such an ignorant thing to do

136 Hallelujah

Je Buckley

1. I heard there was a secret chord
That David played and it pleased the Lord
But you don't really care for music, do you?
And it goes like this: the fourth, the fifth
The minor fall and the major lift
The baffled king composing Hallelujah
| *Hallelujah, Hallelujah, Hallelujah, Hallelujah*
 2. Your faith was strong but you needed proof
You saw her bathing on the roof
Her beauty in the moonlight overthrew you
She tied you to a kitchen chair
She broke your throne and she cut your hair
And from your lips she drew the Hallelujah
 3. Baby I've been here before
I know this room, I've walked this floor
I used to live alone before I knew you
I've seen your flag on the marble arch
Love is not a victory march
It's a cold and it's a broken Hallelujah
 4. There was a time when you let me know
What's really going on below
But now you never show it to me do you?
And remember when I moved in you
The holy dark was moving too
And every breath we drew was Hallelujah
 5. Maybe there's a God above
But all I've ever learned from love
Was how to shoot at someone who outdrew you
It's not a cry that you hear at night
It's not somebody who's seen the light
It's a cold and it's a broken Hallelujah
-

137 The wind cries Mary

Jimi Hendrix

1. After all the jacks are in their boxes
And the clowns have all gone to bed
You can hear happiness staggering on down the street
Footsteps dressed in red
And the wind whispers Mary
 2. A broom is drearily sweeping
Up the broken pieces of yesterday's life
Somewhere a queen is weeping
Somewhere a king has no wife
And the wind cries Mary
(×3)
 3. The traffic lights turn blue tomorrow
And shine the emptiness down on my bed
The tiny island sags downstream
Cause the life that lived is dead
And the wind screams Mary
 4. Will the wind ever remember
The names it has blown in the past
With its crutch, its old age, and its wisdom
It whispers no, this will be the last
And the wind cries Mary
-

138 Here's to you

Joan Baez

1. Here's to you, Nicolas and Bart
Rest forever here in our hearts
The last and final moment is yours
That agony is your triumph
-

1. Almost Heaven, West Virginia
Blue Ridge Mountains, Shenandoah River
Life is old here, older than the trees
Younger than the mountains
Blowin like a breeze

| *Country Roads, take me home*
| *To a place, where I belong*
| *West Virginia, mountain mama*
| *Take me home, country roads*
2. All my memories gather round her
Miner's lady, stranger to blue water
Dark and dusty, painted on the sky
Misty taste of moonshine
Teardrop in my eye

| I hear her voice in the morning hour she calls me
| The radio reminds me of my home far away
| And driving down the road I get a feeling that
| I should have been home yesterday, yesterday

140 The last hobo

John Denver

1. He was born in International Falls
A long, long time ago
He moved to Tucumcari
When the ironwork got slow

He was cornbread and hard scrabble
And scratching for every dime
'til he threw it in and he hit the road
To walk that endless line

*Now he's the last hobo
Riding the last boxcar
On the last freight train
Leaving here
(×2)*

2. He tried his hands at lots of jobs
And he did them all with pride
From shoeing mules to driving trucks
He mastered what he tried

It must have been Ramona
She was all he cared about
When she ran away and left him
You could see the fire go out

: We hardly ever see him
: Once or twice and he would stay a day or two
: He'd ask about Ramona
: Then he'd say that he was only passing through
 3. Now he knows every railroad bull
Along the right of way
And every hobo jungle
From New York to Santa Fe

He's looked for his Ramona
On the far side of the hill
Now his sun is sinking lower
And he's looking for her still

No need for greed or hunger
A brotherhood of man

- I hope someday you'll join us
- And the world will live as one

By giving you no time instead of it all
Till the pain is so big you feel nothing at all

They hate you if you're clever and they despise a fool
Till you're so fucking crazy you can't follow their rules

Then they expect you to pick a career
When you can't really function you're so full of fear
 4. Keep you doped with religion and sex and TV
And you think you're so clever and classless and free
But you're still fucking peasants as far as I can see
 5. There's room at the top they are telling you still
But first you must learn how to smile as you kill
If you want to be like the folks on the hill
If you want to be a hero well just follow me (×2)
-

Yes, I'll admit I'm a fool for you
Because you're mine, I walk the line

I keep you on my mind both day and night

Because you're mine, I walk the line
4. You've got a way to keep me on your side
You give me cause for love that I can't hide
For you I know I'd even try to turn the tide

144 It ain't me, babe

Johnny Cash

1. Go away from my window
Leave at your own chosen speed
I'm not the one you want, babe
I'm not the one you need

You say you're lookin' for someone
Who's never weak but always strong
To protect you and defend you
Whether you are right or wrong
Someone to open each and every door

*But it ain't me babe
No, no, no, it ain't me babe
It ain't me you're lookin' for, babe*
2. Go lightly from the ledge babe
Go lightly on the ground
I'm not the one you want, babe
I'll only let you down

You say you're lookin' for someone
Who'll promise never to part
Someone to close his eyes for your
Someone to close his heart
Someone to die for you and more
3. You say you're lookin' for someone
To pick you up each time you fall
To gather flowers constantly
And to come each time you call
And we'll love you for your life and nothin' more

145 Jackson

Johnny Cash

1. We got married in a fever
Hotter than a pepper sprout
We've been talkin' about Jackson
Ever since the fire went out

*"I'm goin' to Jackson
I'm gonna mess around
Yeah! I'm goin' to Jackson
Look out Jackson town"*
2. Well, go on down to Jackson
Go ahead and wreck your health
Go play your hand you big-talkin' man
Make a big fool of yourself

*Yeah, go to Jackson
Go comb your hair!
"Honey, I'm gonna snowball Jackson"
"See if I care"*
3. When I breeze into that city
People gonna stoop and bow (Ah!)
All them women gonna make me
Teach 'em what they don't know how

*I'm goin' to Jackson
You turn-a loose-a my coat
'Cause I'm goin' to Jackson
"Goodbye" that's all she wrote*
4. But they'll laugh at you in Jackson
And I'll be dancin' on a pony keg
They'll lead you 'round town like a scolded hound
With your tail tucked between your legs

*Yeah, go to Jackson
You big-talkin' man
And I'll be waitin' in Jackson
Behind my japan fan*
5. Well now, we got married in a fever
Hotter than a pepper sprout
We've been talkin' 'bout Jackson
Ever since the fire went out

*I'm goin' to Jackson
And that's a fact
Yeah, we're goin' to Jackson
Ain't never comin' back*

146 The ring of fire

Johnny Cash

1. Love is a burning thing
And it makes a fiery ring
Bound by wild desire
I fell into a ring of fire

*I fell into a burning ring of fire
I went down, down, down
And the flames went higher
And it burns, burns, burns
The ring of fire (×2)*
2. The taste of love is sweet
When hearts like ours meet
I fell for you like a child
Oh, but the fire went wild

147 Still alive

Jonathan Coulton

1. This was a triumph.

I'm making a note here:
HUGE SUCCESS.
It's hard to overstate
my satisfaction.

Aperture Science
We do what we must
because we can.
For the good of all of us.
Except the ones who are dead.

*But there's no sense crying
over every mistake.
You just keep on trying
till you run out of cake.
And the science gets done.
And you make a neat gum.
For the people who are
still alive.*

2. I'm not even angry.

I'm being so sincere right now.
Even though you broke my heart.
And killed me

And tore me to pieces.
And threw every piece into a fire.
As they burned it hurt because
I was so happy for you!

*Now these points of data
make a beautiful line
And we're out of beta.
We're releasing on time.
So I'm GLaD. I got burned.
Think of all the things we learned
for the people who are
still alive.*

3. Go ahead and leave me.

I think I'd prefer to stay inside.
Maybe you'll find someone else
to help you.

Maybe Black Mesa.
THAT WAS A JOKE. Ha ha, FAT CHANCE.
Anyway this cake is great.
It's so delicious and moist.

*Look at me still talking
when there's Science to do.
When I look out there,
it makes me GLaD I'm not you.
I've experiments to run.
There is research to be done.
On the people who are
still alive.*

4. And believe me I am

still alive.
I'm doing science and I'm
still alive
I feel fantastic and I'm
still alive
And while you're dying I'll be
still alive
And when you're dead I will be
still alive
STILL ALIVE
Still alive.

148 Dust in the wind

Kansas

1. I close my eyes only for a moment and a moment's gone
All my dreams pass before my eyes are curiosity
| *Dust in the wind, all we are is dust in the wind*
2. Same old song, just a drop of water in the endless sea
All we do, crumbles to the ground though we refuse to see
3. Don't hang on, nothing lasts forever but the earth and sky
It slips away all your money won't another minute buy
; Dust in the wind, everything is dust in the wind

149 Summer dreaming (Bacardi feeling)

Kate Yanai

1. Come on over, have some fun, dancing in the morning sun
Look into the bright blue sky, come on let your spirit fly
Livin' it up this brand new day, summer, sun, it's time to play
Doin' things it feels so good, get into emotion
| *What a feelin'*
It's never been so easy
When I'm dreamin'
Summer dreamin' when you're with me
 2. Just another lucky day, no one makes me feel this way
Watch the waves and feel the sand, kiss me now and take my hand
Hear all the laughter in the street, smilin' in the summer heat
Cool touch of your hand in mine, we can be together
 3. Now, lovin' you just feels so right, lighting up the darkest night
Go turn up the radio. Don't ever let me go
All the tears I've cried before they can't touch me anymore
Now that you are by my side, it's all I need to know
 4. Come on over have some fun, dancin' in the morning sun
We can keep this dream alive, if we try
Hear all the laughter in the street. If you're smilin'
All the people they turn as we walk on by
-

150 The greatest

K enny Rogers

1. Little boy, in a baseball hat
Stands in the field, with his ball and bat
Says, "I am the greatest, player of them all"
Puts his bat on his shoulder, and he tosses up his ball

*And the ball goes up, and the ball comes down
Swings his bat all the way around
The world's so still you can hear the sound
The baseball falls... to the ground*

2. Now the little boy, doesn't say a word
Picks up his ball, he is undeterred
Says, "I am the greatest, there has ever been"
And he grits his teeth, and he tries it again

*And the ball goes up, and the ball comes down
Swings his bat all the way around
The world's so still you can hear the sound
The baseball falls... to the ground*

- ⋮ He makes no excuses, he shows no fear
- ⋮ He just closes his eyes, and listens to the cheers

3. Little boy, he adjusts his hat
Picks up his ball, stares at his bat
Says, "I am the greatest, the game is on the line"
And he gives his all, one last time

*And the ball goes up, like the moon so bright
Swings his bat with all his might
And the world's so still as still can be
And the baseball falls... that's strike three*

4. Now it's supper time, and his mama calls
Little boy starts home, with his bat and ball
Says, "I am the greatest, that is a fact
But even I didn't know, I could pitch like that"

Says, "I am the greatest, that is understood
But even I didn't know, I could pitch that good"

151 Tree hugger

K imya Dawson

1. The flower said, "I wish I was a tree"
The tree said, "I wish I could be
A different kind of tree"
The cat wished that it was a bee
The turtle wished that it could fly
Really high into the sky
Over rooftops and then dive
Deep into the sea
2. And in the sea there is a fish
A fish that has a secret wish
A wish to be a big cactus
With a pink flower on it
(×2)
3. And the flower
Would be its offering
Of love
To the desert
And the desert
So dry and lonely
That the creatures all
Appreciate the effort
4. Et le jackalope a dit:
"Je voudrais être un yéti
Pour voler dans la nuit
Et m'en aller loin d'ici"
Mais le yéti a dit:
"Je voudrais être un monstre marin
Pour pouvoir sauter dans la mer
De tous les requins"
5. And the rattlesnake said, "I wish I had hands
So I could hug you like a man"
And then the cactus said:
"Don't you understand?
My skin is covered with sharp spikes
That'll stab you like a thousand knives
A hug would be nice
But hug my flower with your eyes"

152 Icebound stream

Laura Veirs

1. Watch, I can flash across the sky
A lightning bolt from up on high
And I can crash into myself
2. Now, a flower blooms in reverse
And a song takes back a verse
A photograph fades to white

*I can hold a thunderhead in my heart
And in my bed, I can dream a winter's gale
And wake up drenched, a stormy pale, a stormy pale*
3. A battered heath on the shore
Will make her keep and wait for more
But underneath her icebound stream
The water pours, the water pours

153 Black-eyed Susan

Laura Veirs

1. Twenty days walking so lonely and talking
To myself and the rocks and sand
Got me to thinking 'bout going and drinking
In a tavern with a clean-shaven man

Just when I thought all souls had been bought
By the devil here long ago
There did I see when I knelt to my knee
A little Texas flower grow

*Black-eyed Susan by the roadside blooming
All yellow like sunshine, red like wine
Flower like you, in a desert this cruel
My-my, you're a rare-rare find*

2. Well, my newfound friend gave my heart a mend
I sang her songs of my wayward ways
As day turned to night in the crystal moonlight
I confirmed her unwavering gaze

As the days unraveled, I stayed in the gravel
And Susan kept her eye on me
With my eye on her, I felt my heart all astir
With the joy of camaraderie

154 Jailhouse fire

Laura Veirs

1. Did you see that lady there?
They stripped her to her underwear
She took it one step further and stripped to bare
Through the rising flames and smoke
She laughed as all the police choked
And then she danced in the government pyre

*The jailhouse is on fire
The jailhouse is on fire*
2. She grabbed a guard and stole his keys
Unlocked the cells and set us free
And we ran and caught our pants on the old barbed
wire
Hit the dirt, we hit the road
We jumped the fence, we kissed a toad
And we hollered at the ladies in the churchyard choir
3. Hopped a train and headed west
Free woman now, just like the rest
All the hobos on the line called me a liar
Train, it popped and spewed and spat
And coal smoke billowed thick and black
And she was everywhere, rising higher, she set

155 Ballad of John Vogelín

Laura Veirs

1. I survived the desperate toll dark depression takes
I may not break even but babe I'll never break
Golden coins and smiles no they cannot tip my scales
Cuz this land, this love will never be for sale
2. Brass hats and soldier boys, whiskey on your breath
Drop your holy missiles, you can take my body dead
Send me all your lightning storms, your
thunderheads and hail
Cuz this land, this love will never be for sale
3. Wild eyes, they watch on me through the velvet
night
Fire on the mountain, you can burn me where I lie
Even though I'm dead now as an old and rusty nail
This land, this love will never be for sale

156 A bunch of lonesome heroes

Leonard Cohen

1. A bunch of lonesome and very quarrelsome heroes
Were smoking out along the open road
The night was very dark and thick between them
Each man beneath his ordinary load

*"I'd like to tell my story"
Said one of them so young and bold
"I'd like to tell my story
Before I turn into gold"*
2. But no one really could hear him
The night so dark and thick and green
Well, I guess that these heroes must always live there
Where you and I have only been

*Put out your cigarette, my love
You've been alone too long
And some of us are very hungry now
To hear what it is you've done that was so wrong*
3. I sing this for the crickets
I sing this for the army
I sing this for your children
And for all who do not need me

*"I'd like to tell my story"
Said one of them so bold
"Oh yes, I'd like to tell my story
'cause you know I feel I'm turning into gold"*

157 The old revolution

Leonard Cohen

1. I finally broke into the prison
I found my place in the chain
Even damnation is poisoned with rainbows
All the brave young men
They're waiting now to see a signal
Which some killer will be lighting for pay
*Into this furnace I ask you now to venture
You whom I cannot betray*
2. I fought in the old revolution
On the side of the ghost and the King
Of course I was very young and I thought that we
were winning
I can't pretend
I still feel very much like singing
As they carry the bodies away
3. Lately you've started to stutter
As though you had nothing to say
To all of my architects let me be traitor
Now let me say
I myself gave the order
To sleep and to search and to destroy
4. Yes, you who are broken by power
You who are absent all day
You who are kings for the sake of your children's
story
The hand of your beggar
Is burdened down with money
The hand of your lover is clay

158 Winter lady

Leonard Cohen

1. Traveling lady, stay awhile
Until the night is over
I'm just a station on your way
I know I'm not your lover
*Well I lived with a child of snow
When I was a soldier
And I fought every man for her
Until the nights grew colder*
2. She used to wear her hair like you
Except when she was sleeping
And then she'd weave it on a loom
Of smoke and gold and breathing
*And why are you so quiet now
Standing there in the doorway?
You chose your journey long before
You came upon this highway*
3. Traveling lady, stay awhile
Until the night is over
I'm just a station on your way
I know I'm not your lover

159 If it be your will

Leonard Cohen

1. If it be your will
That I speak no more
And my voice be still
As it was before
*I will speak no more
I shall abide until
I am spoken for
If it be your will*
2. If it be your will
That a voice be true
From this broken hill
I will sing to you
*From this broken hill
All your praises they shall ring
If it be your will
To let me sing*
- From this broken hill
All your praises they shall ring
If it be your will
To let me sing*
4. If it be your will
If there is a choice
Let the rivers fill
Let the hills rejoice
*Let your mercy spill
On all these burning hearts in hell
If it be your will
To make us well*
5. And draw us near
And bind us tight
All your children here
In their rags of light
*In our rags of light
All dressed to kill
And end this night
If it be your will (×2)*

160 So long, Marianne

Leonard Cohen

1. Come over to the window, my little darling
I'd like to try to read your palm
I used to think I was some kind of gypsy boy
Before I let you take me home

*(Now/Oh) so long, Marianne
It's time that we began to laugh
And cry, and cry
And laugh about it all again*
 2. Well, you know that I love to live with you
But you make me forget so very much
I forget to pray for the angel
And then the angels forget to pray for us
 3. We met when we were almost young
Deep in the green lilac park
You held on to me like I was a crucifix
As we went kneeling through the dark
 4. Your letters they all say that you're beside me now
Then why do I feel alone?
I'm standing on a ledge and your fine spider web
Is fastening my ankle to a stone
 5. For now I need your hidden love
I'm cold as a new razor blade
You left when I told you I was curious
I never said that I was brave
 6. Oh, you are really such a pretty one
I see you've gone and changed your name again
And just when I climbed this whole mountainside
To wash my eyelids in the rain
-

161 Suzanne

Leonard Cohen

1. Suzanne takes you down
To her place near the river
You can hear the boats go by
You can spend the night beside her

And you know that she's half crazy
But that's why you wanna be there
And she feeds you tea and oranges
That come all the way from China

And just when you mean to tell her
That you have no love to give her
Then she gets you on her wavelength
And she lets the river answer that you've always
been her lover

*And you want to travel with her
And you want to travel blind
And you know that she will trust you
For you've touched her perfect body with your mind*
 2. And Jesus was a sailor
When He walked upon the water
And He spent a long time watching
From his lonely wooden tower

And when He knew for certain
Only drowning men could see Him
He said, "All men will be sailors
Then until the sea shall free them"

But He Himself was broken
Long before the sky would open
Forsaken, almost human
He sank beneath your wisdom like a stone

*And you want to travel with him
And you want to travel blind
And you think maybe you'll trust him
For he's touched your perfect body with his mind*
 3. Now Suzanne takes your hand
And she leads you to the river
She is wearing rags and feathers
From Salvation Army counters

And the sun pours down like honey
On our lady of the harbor
And she shows you where to look
Among the garbage and the flowers

There are heroes in the seaweed
There are children in the morning
They are leaning out for love
And they will lean that way forever while Suzanne
holds the mirror

*And you want to travel with her
And you want to travel blind
And you know that you can trust her
For she's touched your perfect body with her mind*
-

Every step I take is another mistake to you
(*Caught in the undertone just caught in the undertone*)

Cause everything that you thought I would be
Has fallen apart right in front of you
(*Caught in the undertone just caught in the undertone*)
Every step that I take is another mistake to you
(*Caught in the undertone just caught in the undertone*)
And every second I waste is more than I can take

And I know
I may end up failing too
But I know
You were just like me with someone disappointed in you

I've become so numb I can't feel you there
Is everything what you want me to be
I've become so numb I can't feel you there
Is everything what you want me to be

I know it would be so easy
Anyway, dark lady, I feel lazy
2. Those afternoons are confused
I don't think that you really choose
There's even one more reason to feel lazy

While you go away
While you go away
(×2)

3. I could die but I could lie
I can deal with what's in your mind
Anyway, I'm tired and I feel lazy
4. You know, we're both lost in maze
You're miserable, I'm so dazed
Don't you think you should feel suddenly lazy

174 Somewhere over the rainbow

Norah Jones

1. Somewhere over the rainbow way up high
And the dreams that you dream of once in a lullaby
Somewhere over the rainbow blue birds fly
And the dreams that you dream of, dreams really do come true
 2. Someday I'll wish upon a star, wake up
Where the clouds are far behind me
Where trouble melts like lemon drops
High above the chi-mn-ey tops that's where, you'll find me
Somewhere over the rainbow bluebirds fly
And the dreams that you dare to, oh why, oh why can't I?
 3. Well I see trees of green and red roses too
I'll watch them bloom for me and you
And I think to myself, what a wonderful world
 4. Well I see skies of blue and I see clouds
Of white and the brightness of day
I like the dark and I think to myself, what a wonderful world
 5. The colors of the rainbow so pretty in the sky
Are also on the faces of people passing by
I see friends shaking hands saying, "How do you do?"
They're really saying, "I, I love you!"
 6. I hear babies cry and I watch them grow
They'll learn much more than we'll know
And I think to myself, what a wonderful world
 7. Someday I'll wish upon a star
Wake up where the clouds are far behind me
Where trouble melts like lemon drops
High above the chimney tops is where you'll find me
Somewhere over the rainbow way up high
And the dreams that you dare to, oh why, oh why can't I?

175 Don't Look Back In Anger

Oasis

1. Slip inside the eye of your mind
Don't you know you might find
A better place to play
You said that you'd never been
But all the things that you've seen
Slowly fade away

*So I start a revolution from my bed
Cause you said the brains I had went to my head
Step outside, the summertime's in bloom
Stand up beside the fireplace
Take that look from off your face
You ain't ever gonna burn my heart out*

*So Sally can wait, she knows it's too late
As she's walking on by
Her soul slides away, but don't look back in anger
I heard you say*

2. Take me to the place where you go
Where nobody knows, if it's night or day
Please don't put your life in the hands
Of a rock and roll band, who'll throw it all away

*Gonna start a revolution from my bed
Cause you said the brains I had went to my head
Step outside, the summertime's in bloom
Stand up beside the fireplace
Take that look from off your face
Cause you ain't never gonna burn my heart out*

*So Sally can wait, she knows it's too late
As she's walking on by
Her soul slides away, but don't look back in anger
I heard you say (×2)*

176 I'm outta time

Oasis

1. Here's a song
It reminds me of when we were young
Looking back at all the things we'd done
Gotta keep on keeping on

2. Out to sea
It's the only place I honestly
Can get myself some peace of mind
You know it's getting hard to fly

*If I'm to fall
Would you be there to applaud?
Or would you hide behind them all?
Cause if I have to go
In my heart you grow
And that's where you belong
(×2)*

3. Guess I'm outta time
I'm outta time
I'm outta time
I'm outta time
I'm outta time
-

177 Wonderwall

Oasis

1. Today is gonna be the day that they're gonna throw it back to you
By now you should've somehow realized what you gotta do
I don't believe that anybody feels the way I do
About you now
2. Backbeat, the word is on the street that the fire in your heart is out
I'm sure you've heard it all before but you never really had a doubt
I don't believe that anybody feels the way I do
About you now

*And all the roads we have to walk are winding
And all the lights that lead us there are blinding
There are many things that I would like to
Say to you but I don't know how*

*Because maybe,
You're gonna be the one that saves me
And after all, you're my wonderwall*

3. Today was gonna be the day but they'll never throw it back to you
By now you should've somehow realized what you're not to do
I don't believe that anybody feels the way I do
About you now

*I said maybe, (I said maybe)
You're gonna be the one that saves me
And after all, you're my wonderwall*

178 Hey ya Outkast

1. My baby don't mess around
Because she loves me so
And this I know for sure

But does she really wanna
But can't stand to see me
Walk out the door

I can't stand to fight the feeling
'Cause the thought alone
Is killing me right now

Thank god for mom and dad
For sticking two together
'Cause we don't know how

| *Hey ya, hey ya (×2)*
 2. You think you've got it, oh you think you've got it
But God just don't get it
Till' there's nothing at all

We get together, oh, we get together
But separates always better
When there's feelings involved

If what they say that "nothing is forever"
Then what makes
What makes love the exception?

So why are, why are, why are, why are
Why are we so in denial
When we know we're not happy here?
 3. Alright now fellas
Yeah oh, cooler than being cool?
I can't hear you now, now, now

I say what's cooler than being cool?
Alright
What now ladies
Yeah, we're gonna bring it down in just a few
seconds here
Now don't make me break this down for nothing
I wanna see you all on your all's baddest behavior
Lend me some sugar, I am your neighbor
Shake it
Shake it like a Polaroid Picture
Oh now, shake it
Shake it up
-

179 Smilin' Pascale Picard

1. I am not gonna make it
I can see the crowd around me
Is getting bigger and as it is
I'm trying to figure out
Why I feel so isolated

I have my friends
But don't have much time for them
I have my house
A tiny pocket in my luggage
I have my boyfriend
But he's also so tired of listening to me

Every single day
Seems like a mountain to climb
Every single word
It takes all my strength to get it out
I'm tired of talking about me
But in fact, it's the only thing I get a grip on

I feel like I'm not gonna make it
I really feel like I'm not gonna make it
But it might be the best thing
That ever happened to me, so now

| *Hey, little girl keep on smiling
'Cause they don't want to hear you complaining
You're a lucky girl, your life's so exciting
So I'll keep on making bad jokes
'Cause you think I'm strong
And it might be the way you like it
Oh how I need you to like me?*
 2. I have tried as hard as I can
I have tried to go through 9 to 5
But I was like a train
Between work and bars
Never found out what I was travelling for

Now I have my car
But I ain't got no safe place to go
I still hold my drink
But I'm not as thirsty as before
I have my voice but I heard lately that people
Don't want to hear sad songs

Every single place
It's all the same to me
Every single face
I know it will be replaced
By another smiley one
Who will also be left soon somewhere behind

I feel like I'm not gonna make it
I really feel like I'm not gonna make it
But it might be the best thing
That ever happened to me, so now
 3. Please now just don't count on me
I can't handle it anymore
And don't ask me why
If you don't want me to lie

But don't be alarmed
Don't you see that I'm just down
Just don't worry soon
I'll be back on the tracks

| *Smiling!'Cause I'll get tired of complaining
I'm a lucky girl and I'm doing exactly what I wanted
So I'll keep on making bad jokes
'Cause I need to be strong
It might be my only chance to get out of it
And now I really need to make it*

180 Dear Mr. President

Pink

1. Dear Mr President, come take a walk with me
Let's pretend, we're just two people and, you're not better than me
I'd like to, ask you some questions if we could, speak honestly
What do you feel when you see all the homeless on the street?
Who do you pray for at night before you go to sleep?
What do you feel when you look in the mirror?
Are you proud?

*How do you sleep while the rest of us cry?
How do you dream when a mother has no chance to say goodbye?
How do you walk with your head held high?
Can you even look me
In the eye?
And tell me why*

2. Dear Mr president, were you a lonely boy
Were you a lonely boy?
How can you say, no child is left behind
We're not dumb, and we're not blind
They're all sitting in your cells
While you pave the road to hell
What kind of father might take his own daughter right away?
And what kind of father might hate his own daughter if she were gay?
I can only imagine what the first lady has to say
You've come a long way, from whiskey and cocaine

- ! Let me tell you 'bout hard work
- ! Minimum wage with a baby on the way
- ! Let me tell you 'bout hard work
- ! Re-building your house after the bombs took them away
- ! Let me tell you 'bout hard work
- ! Building a bed out of a cardboard box
- ! Let me tell you 'bout hard work, hard work, hard work
- ! You don't know nothing 'bout hard work, hard work
- ! Hard work!

*How do you sleep at night?
How do you walk, with your head held high
Dear Mr president you'd never take a walk with me
Ummm, would you*

181 Please don't leave me

Pink

1. I don't know if I can yell any louder
How many times have I kicked you outta here?
Or said something insulting? Da da da da-da
I can be so mean when I wanna be
I am capable of really anything
I can cut you into pieces
And my heart is
Broken. Da da da-da da

Please don't leave me
Please don't leave me
I always say how I don't need you
But it's always gonna come right back to this
Please, don't leave me
 2. How did I become so obnoxious?
What is it with you that makes me act like this?
I've never been this nasty
Can't you tell that this is all just a contest?
The one that wins will be the one that hits the hardest
But baby I don't mean it
I mean it, I promise
Da da da-da da

I forgot to say out loud
How beautiful you really are to me
I can't be without
You're my perfect little punching bag
And I need you
I'm sorry
-

182 Pigs on the wing

Pink Floyd

1. If you didn't care
what happened to me
And I didn't care
For you
We would zig-zag our way
Through the boredom and pain
Occasionally glancing up through the rain
Wondering
Which of the buggers to blame
And watching
For pigs on the wing
-

183 San Tropez

Pink Floyd

1. As I reach for a peach slide a ride down behind the sofa in San Tropez
Breaking a stick with a brick on the sand riding a wave in the wake of an old sedan
Sleeping alone in the drone of the darkness scratched by the sand that fell from our
deep in my dreams and I still hear her calling
If you're alone I'll come home
2. Backwards and home-bound the pigeon, the dove gone with the wind and the rain on an airplane
Owning a home with no silver spoon I'm drinking champagne like a big tycoon
Sooner than wait for a break in the weather I'll gather my far-flung thoughts together
Speeding away on a wind to a new day
If you're alone I'll come home
3. And I pause for a while by a country stile and listen to things they say
Digging for gold with a hoe in my hand hoping they'll take a look at the way things stand
Would you lead me down to the place by the sea? I hear your soft voice calling to me
Making a date for later by phone
If you're alone I'll come home

184 Another brick in the wall

Pink Floyd

1. We don't need no education
We don't need no thought control
No dark sarcasm in the classroom
Teacher leave them kids alone
Hey, teacher! Leave them kids alone

| *All in all it's just an-other brick in the wall (×2)*

185 Comfortably numb

Pink Floyd

1. Hello
Is there anybody in there?
Just nod if you can hear me
Is there anyone home?
2. Come on now
I hear you're feeling down
Well I can ease your pain
And get you on your feet again
3. Relax
I'll need some information first
Just the basic facts
Can you show me where it hurts?

*There is no pain you are receding
A distant ship's smoke on the horizon
You are only coming through in waves
Your lips move but I can't hear what you're saying
When I was a child I had a fever
My hands felt just like two balloons
Now I've got that feeling once again
I can't explain you would not understand
This is not how I am
I have become comfortably numb
I have become comfortably numb*

4. O.K.
Just a little pinprick
There'll be no more Aaaaah
But you may feel a little sick
5. Can you stand up?
I do believe it's working good
That'll keep you going through the show
Come on it's time to go

*There is no pain you are receding
A distant ship's smoke on the horizon
You are only coming through in waves
Your lips move but I can't hear what you're saying
When I was a child I caught a fleeting glimpse
Out of the corner of my eye
I turned to look but it was gone
I cannot put my finger on it now
The child is grown the dream is gone
I have become comfortably numb*

186 Hey you

Pink Floyd

1. Hey you! out there in the cold
Getting lonely getting old, can you feel me
Hey you! Standing in the aisles
With itchy feet and fading smiles, can you feel me
Hey you! don't help them to bury the light
Don't give in without a fight
2. Hey you! out there on your own
Sitting naked by the phone would you touch me
Hey you! with your ear against the wall
Waiting for someone to call out would you touch me
Hey you! would you help me to carry the stone
Open your heart I'm coming home

*But it was only a fantasy
The wall was too high as you can see
No matter how he tried he could not break free
And the worms ate into his brain*

3. Hey you! out there on the road
Always doing what you're told, can you help me
Hey you! out there beyond the wall
Breaking bottles in the hall, can you help me
Hey you! don't tell me there's no hope at all
Together we stand divided we fall

187 Mother

Pink Floyd

1. Mother do you think they'll drop the bomb?
Mother do you think they'll like this song?
Mother do you think they'll try to break my balls?
Ohhh...Ahhh...Mother should I build the wall?
2. Mother should I run for president?
Mother should I trust the government?
Mother will they put me in the firing line?
Ohhh...Ahhh...Mother is it just a waste of time?

*Hush now baby don't you cry
Mama's gonna make all of your nightmares come true
Mama's gonna put all of her fears into you
Mama's gonna keep you right here under her wing
She won't let you fly but she might let you sing
Mama's gonna keep baby cozy and warm
Ohhh...babe Ohhh...babe
Oh...babe of course mama's gonna help build the wall*

3. Mother do you think she's good enough... for me?
Mother do you think she's dangerous... to me?
Mother will she tear your little boy apart?
Ohhh...Ahhh...Mother will she break my heart?

*Hush now baby baby don't you cry
Mama's gonna check out all of your girlfriends for you
Mama won't let anyone dirty get through
Mama's gonna wait up until you get in
Mama's will always find out where you've been
Mama's gonna keep baby healthy and clean
Ohhh...baby Ohhh...baby
Oh...baby you'll always be baby to me*

Mother did it need to be so high?

188 Wish you were here

Pink Floyd

1. So, so you think you can tell
Heaven from Hell
Blue Skies from pain
Can you tell a green field
From a cold steel rail
A smile from a veil
Do you think you can tell
Did they get you to trade
Your heroes for ghosts
Hot Ashes for trees
Hot air for a cool breeze
Cold comfort for change
Did you exchange?
A walk on part in the war
For a lead role in a cage

*How I wish, how I wish you were here
We're just two lost souls swimming in a fish bowl
Year after year
Running over the same old ground
What have we found the same old fears
Wish you were here...*

189 Where is my mind

Pixies

1. With your feet in the air and your head on the ground
Try this trick and spin it. Yeah!
Your head will collapse but there's nothing in it and you'll ask yourself

| *Where is my mind? Where is my mind?*
| *Where is my mind?*

Way out, in the water, see it swimmin'

2. I was swimmin' in the Caribbean
Animals were hiding behind the rock
Except the little fish but they told me, he swears tryin' to talk to me to me to me
-

196 Streets of London

Ralph McTell

1. Have you seen the old man, in the closed-down market
picking up the papers, with his worn-out shoes?
In his eyes you see no pride, and held loosely by his side
yesterday's papers, telling yesterday's news

*So how can you tell me, you're lo - ne - ly
and say for you that the sun don't shine?
Let me take you by the hand, and lead you through the streets of London
I'll show you something, to make you change your mind*

2. Have you seen the old gal, who walks the streets of London
dirt in her hair, and her clothes in rags?
She's no time for talking, she just keeps right on walking
Carrying her home, in two carrier bags
3. In the all-night cafe, at a quarter past eleven
same old man sitting there, on his own
Looking at the world, over the rim of his tea-cup
Each day lasts an hour, then he wanders home alone
4. Have you seen the old man, outside the seaman's mission?
His memory's fading, with those medal ribbons that he wears
And in our winter city, the rain cries little pity
For one more forgotten hero, and a world that doesn't care

197 Hit the road

Ray Charles

*Hit the road Jack and don't you come back
No more, no more, no more, no more
Hit the road Jack and don't you come back
No more*

oh what you say?

1. Old woman, old woman, oh you treat me so mean,
You're the meanest old woman that I ever have seen.
I guess if you said so
I'd have to pack my things and go.

That's right

2. Now baby, listen baby, don't you treat me this way
'Cause I'll be back on my feet some day.
Don't care if you do 'cause it's understood
you got no money you just ain't no good.
Well, I guess if you say so
I'd have to pack my things and go.

That's right

198 Hit the road Jack

For I'll be back on my feet some day
(*Don't care if you do 'cause it's understood*)
(*You ain't got no money you just ain't no good*)
Well, I guess if you say so
I'd have to pack my things and go

199 America

Razorlight

1. What a drag it is
The shape i'm in
Well I go out somewhere
Then I come home again

I light a cigarette
'Cause I can't get no sleep
There's nothing on the TV, nothing on the radio
That means that much to me

All my life
Watching America
All my life
There's panic in America
Oh, oh, oh, oh
There's trouble in America
Oh, oh, oh, oh

2. Yesterday was easy
Happiness came and went
I got the movie script
But I don't know what it meant

I light a cigarette
'Cause I can't get no sleep
There's nothing on the TV, nothing on the radio
That means that much to me
There's nothing on the TV, nothing on the radio
That I can believe in

3. Yesterday was easy
Yes I got the news
When you get it straight
But stand up, you just can't lose

Give you my confidence
All my faith in life
Don't stand me up, don't let me down
I need you tonight

! To hold me, say you'll be here (×3)
! To hold ...

Tell me how does it feel(×4)

200 Supergirl

Reamonn

1. You can tell by the way
She walks that she's my girl
You can tell by the way
She talks, she rules the world
You can see in her eyes
That no one is her chain
She's my girl, my supergirl

*And then she'd say, It's okay
I got lost on the way
But I'm a supergirl
And supergirls don't cry
And then she'd say, It's alright
I got home late last night
But I'm a supergirl
And supergirls just fly*

2. And then she'd say
That nothing can go wrong
When you're in love
What can go wrong?
Then she'd laugh
The night time into day
Pushing her fear further long

*And then she'd say, It's okay
I got lost on the way
But I'm a supergirl
And supergirls don't cry
And then she'd say, It's alright
I got home late last night
But I'm a supergirl
And supergirls just fly*

*And then she'd shout down the line
Tell me she's got no more time
'Cause she's a supergirl
And supergirls don't hide
And then she'd scream in my face
Tell me to leave, leave this place
'Cause she's a supergirl
And supergirls just fly*

- Yes, she's a supergirl, a supergirl
 - She's sewing seeds, she's burning trees
 - She's sewing seeds, she's burning trees
 - Yes, she's a supergirl, a supergirl
 - A supergirl, my supergirl

201 Under the bridge

Red Hot Chili Peppers

1. Sometimes I feel like I don't have a partner
Sometimes I feel like my only friend
Is the city I live in, the city of angels, the city of
angels
Lonely as I am together we cry
2. I drive on her streets 'cause she's my companion
I walk through her hills cause she knows who I am
She sees my good deeds and she kisses the winded
I never worried, now that is a lie

*I don't ever want to feel
Like I did that day
Take me to the place I love
Take me all the way
(×2)*

3. It's hard to believe that there's nobody out there
It's hard to believe that I'm all alone
At least I have her love, the city she loves me
Lonely as I am together we cry
 4. Oh no no no, yeah, yeah (×3)
Under the bridge down-town
is where I drew some blood

Under the bridge down-town
I could not get enough

Under the bridge down-town
Forgot about my love

Under the bridge down-town
I gave my life away

Oh no no no, yeah, yeah (×4)

202 By the way

Red Hot Chili Peppers

*Standing in line
To see the show tonight
And there's a light on
Heavy glow*

*By the way
I tried to say
I'd be there
Waiting for*

*Dani the girl
Is singing songs to me
Beneath the marquee
Overload*

1. Steak Knife Card Shark
Con Job Boot Cut

*Skin that flick
She's such a little DJ
Get there quick
By street but not the freeway
Turn that trick
To make a little leeway
Beat that nic
But not the way that we play*

*Dog Town Blood Bath
Rib Cage Soft Tail*

2. Black Jack Dope Dick
Pawn Shop Quick Pick

*Kiss that Dyke
I know you want to hold one
Not on strike
But I'm about to bowl one
Bite that mic
I know you never stole one
Girls that like
A story so I told one*

*Song Bird Main Line
Cash Back Hard top*

Oh ah, guess you never meant it (×8)

203 Can't stop

Red Hot Chili Peppers

1. Can't stop addicted to the shindig
Chop top he says I'm gonna win big
Choose not a life of imitation
Distant cousin to the reservation

Defunct the pistol that you pay for
This punk the feeling that you stay for
In time I want to be your best friend
Eastside love is living on the westend

Knocked out but boy you better come to
Don't die you know the truth as some do
Go write your message on the pavement
Burn so bright I wonder what the wave meant

White heat is screaming in the jungle
Complete the motion if you stumble
Go ask the dust for any answers
Come back strong with 50 belly dancers
2. The world I love, the tears I've dropped
To be part of, the wave can't stop
Ever wonder if it's all for you

The world I love, the trains I hop
To be part of, the wave can't stop
Come and tell me when it's time to
3. Sweetheart is bleeding in the snow cone
So smart she's leading me to ozone
Music the great communicator
Use two sticks to make it in the nature

I'll get you into penetration
The gender of a generation
The birth of every other nation
Worth your weight the gold of meditation

This chapter's going to be a close one
Smoke rings I know you're going to blow one
All on a spaceship persevering
Use my hands for everything but steering

Can't stop the spirits when they need you
Mop tops are happy when they feed you
Jay butterfly is in the treetop
Birds that blow the meaning into bebop

Wait a minute, I'm passing out
Win or lose, just like you
Far more shockin' than anything
I ever knew, how 'bout you

Ten more reasons why
I need somebody new, just like you
Far more shockin' than anything
I ever knew, right on cue
4. Can't stop addicted to the shindig
Chop top he says I'm gonna win big
Choose not a life of imitation
Distant cousin to the reservation

Defunct the pistol that you pay for
This punk the feeling that you stay for
In time I want to be your best friend
Eastside love is living on the westend

Knocked out but boy you better come to
Don't die you know the truth as some do
Go write your message on the pavement
Burn so bright I wonder what the wave meant

Kick start the golden generator
Sweet talk but don't intimidate her
Can't stop the Gods from engineering
Feel no need for any interfering

Your image in the dictionary
This life is more than ordinary
Can I get two maybe even three of these
Comin' from space to teach you of the Pliedes

Can't stop the spirits when they need you
This life is more than just a read-thru

204 Californication

Red Hot Chili Peppers

1. Psychic spies from China
Try to steal your mind's elation
Little girls from Sweden
Dream of silver screen quotations
And if you want these kind of dreams
It's Californication
(×2)

It's the edge of the world
And all of western civilization
The sun may rise in the East
At least it settles in the final location
It's understood that Hollywood
Sells Californication

Pay your surgeon very well
To break the spell of aging
Celebrity skin is this your chin
Or is that war your waging
First born unicorn
Hardcore soft porn

Dream of Californication
Dream of Californication
(×2)
2. Marry me girl be my fairy to the world
Be my very own constellation
A teenage bride with a baby inside
Getting high on information
And buy me a star on the boulevard
It's Californication

Space may be the final frontier
But it's made in a Hollywood basement
Cobain can you hear the spheres
Singing songs off station to station
And Alderon's not far away
It's Californication

Born and raised by those who praise
Control of population
Everybody's been there and
I don't mean on vacation
First born unicorn
Hardcore soft porn

Destruction leads to a very rough road
But it also breeds creation
And earthquakes are to a girl's guitar
They're just another good vibration
And tidal waves couldn't save the world
From Californication

Pay your surgeon very well
To break the spell of aging
Sicker than the rest there is no test
But this is what you're craving
First born unicorn
Hardcore soft porn

Red Hot Chili Peppers

1. Getting born in the state of Mississippi
Her Poppa was a copper and her Momma was a hippie
In Alabama she will swing a hammer
Price you got to pay when you break the panorama
She never knew that there was anything more than all
Well in the war your comfort to take me for

Black bandanna, sweet Louisiana
Robbing on a bank in the state of Indiana
She's a runner, Rebel and a stunner
Come to Mirawais saying, "Baby watcha gonna?"
Looking down the barrel of a hot bell 45
Just another way to survive

California, Rest In Peace
Simultaneous release
California, show your teeth
She's my priestess, I'm your priest
Yeah, yeah

2. She's a lover, Baby and a fighter
Should've seen it coming when I got a little brighter
With a name like "Dani California"
Day was gonna come when I was gonna mourn ya
A little low that she was stealing another bread
I love my baby to death
 3. Who knew the hardest side of you?
Who knew the hardest time to prove?
Too true to say goodbye to you
Too true to say, say, say
 4. Pushed the fader, gifted animator
One for the now and eleven for the later
Never made it up to Minnesota
Off the coated man, was gonna fill the quota
Down in the Badlands, she was saving the best for last
It only hurts when I laugh, gone to fade

207 Snow (Hey oh)

Red Hot Chili Peppers

1. Come to decide that the things that I tried
Were in my life just to get high on
When I sit alone come get a little known
But I need more than myself this time

Step from the road to the sea, to the sky

When I lay it on, come get to play it on
All my life to sacrifice

Listen what I say oh
(I got your) *Hey oh*
Now listen what I say oh

To the well once more time to decide on
When it's killing me, when will I really see

Before I get my chance to ride
When it's killing me, what do I really need
All that I need to look inside

Hey oh
Listen what I say oh
(Come back and) *Hey oh*
Look at what I say oh

The more I see, the less I know
The more I like to let it go
Hey oh
Wo-oo wo-oo wo

Deep beneath the cover of another perfect wonder
Where it's so white as snow
Privately divided by a world so undecided
And there's nowhere to go

In between the cover of another perfect wonder
And it's so white as snow
Running through a field where all my tracks will
Be concealed and there is nowhere to go

3. When to descend to amend for a friend
All the channels that have broken down
Now you bring it up, I'm gonna ring it up
Just to hear you sing it out

Step from the road to the sea, to the sky
And I do believe what we rely on
When I lay it on, come get to play it on
All my life to sacrifice

Spit-shined so bright
They cut off my hair
But it looked alright
We marched and we sang
We all became friends
As we learned how to fight

I told them to stop
But then I joined in
We beat him with guns
And batons not just once
But again and again

5. She walked
Through bullets and haze
I asked her to stop
I begged her to stay
But she pressed on
So I lifted my gun
And I fired away

6. The shells
Jumped through the smoke
And into the sand
That the blood now had soaked
She collapsed
With a flag in her hand
A flag white as snow

Just medals and scars
So damn proud of me
And I brought home that flag

It's the only flag I trust*

Have you seen the world?
Well what would you say

Robbie Williams

I sit and wait. Does an angel contemplate my fate

1. And do they know the places were we go when we're grey and old
Cuz I have been told that salvation lets their wings unfold
So when I'm lying in my bed
Thoughts running through my head
And I feel that love is dead
I'm loving angels instead

*And through it all she offers me protection,
A lot love and affection, whether I'm right or wrong
And down the waterfall wherever it may take me
I know that life won't break me
When I come to call, she won't forsake me
I'm loving angels instead*

2. When I'm feeling weak and my pain walks down a one way street

Where the children of tomorrow share their dreams
With you and me*

216 Devil's Way

Sheepbox

1. Walking alone
' care for no one
I'm so cruel
' look like a dog without its bone

I go my way
Without a gaze
If you ask help
I will answer, "No way!"

I used to be
Truly happy
Acting gently
Sharing my joy with everybody

My faith in life
As a sunlight
Showed me the line
Between bad and right

*Since I was a child
I've tried to do things right
But being a good soul
Only gets me troubles
Now it's over
Kindness has disappeared
And from that day
I'll take the devil's way*

2. I had a good friend
Who was in pain
With love affairs
I help him chase his pain away

He found a woman
She left her man
They plan a marriage

Now I'm single
And hate females
But sex is vital
All means are good, most are cruel

Getting her drunk
Using some drugs
For a good fuck
Remaining pride is scum

3. I had a job
' wasn't too rough
' screwed lids on pots
So people can open it up

They replaced me
By a machine
Without a penny
My pockets were empty

Now I'm a robber
I've start little
With some elders
And I've leveled to big hold-ups

Now I'm an outlaw
Chased by forces
But I am loaded
And finally happy!

No big property... No more family

If you're enjoying the ride
And every time of your life
Don't fear the day of your death

221 The boxer

Simon & Garfunkel

1. I am just a poor boy
Though my story is seldom told
I have squandered my resistance
For a pocketful of mumbles
Such are promises
All lies and jest
Still a man hears
What he wants to hear and
Disregards the rest
2. When I left my home and my family
I was no more than a boy
In the company of strangers
In the quiet of the railway station
Runnin' scared
Laying low
Seeking out the poorer quarters
Where the ragged people go
Lookin' for the places
Only they would know
*Lie la lie, lie la lie la lie la lie
Lie la lie
Lie la lie la lie la lie la lie la lie*
3. Asking only workman's wages
I come lookin' for a job
But I get no offers
Just a come-on from the whores
On Seventh Avenue
I do declare

That I took some comfort there
La, la, la, la, la, la, la
4. And I'm laying out my winter clothes
Wishing I was gone
Goin' home
Where the New York City winters aren't bleedin' me
Leadin' me goin' home
5. In the clearing stands a boxer
And a fighter by his trade
And he carries the reminders
Of every glove that laid him down
Or cut him 'til he cried out
In his anger and his shame
"I am leaving, I am leaving"
But the fighter still remains

Every time my name gets mentioned
The papa said, "Oh, if I get that boy
I'm gonna stick him in the house of detention"

*Well, I'm on my way
I don't know where I'm going

Like a swan that's here and gone
A man gets tied up to the ground
He gives the world its saddest sound
Its saddest sound*

Simon & Garfunkel

1. I hear the drizzle of the rain
Like a memory it falls
Soft and warm continuing
Tapping on my roof and walls

Through the window of my eyes
I gaze beyond the rain drenched streets
To England were my heart lies
3. My mind's distracted and diffused
My thoughts are many miles away
They lie with you when you're asleep
And kiss you when you're start your day
4. And a song I was writing, is left undone
I don't know why I spend my time
Writing songs I can't believe
With words that tear and strain to rhyme
5. And as I watch the drops of rain
Weave their weary paths and die
I know that I am like the rain
There but for the grace of you go I

228 Mrs. Robinson

Simon & Garfunkel

And here's to you Mrs. Robinson
Jesus loves you more than you will know, (wo wo wo)
God bless you please Mrs. Robinson
Heaven holds a place for those who pray, (hey hey
hey, hey hey hey)

1. We'd like to know a little bit about you for our files
We'd like to help you learn to help yourself
Look around you, all you see are sympathetic eyes
Stroll around the grounds until you feel at home
2. Hide it in a hiding place where no one ever goes
Put it in your pantry with your cupcakes
It's a little secret just the Robinsons' affair
Most of all you've got to hide it from the kids

Going to the candidates debate
Laugh about it, shout about it, when you've got to
choose
Any way you look at it you lose

Where have you gone Joe DiMaggio?
A nation turns its lonely eyes to you, (wo wo wo)
What's that you say Mrs. Robinson?
Joltin' Joe has left and gone away, (hey hey hey, hey
hey hey)

229 Scarborough Fair – Canticle

Simon & Garfunkel

Are you going to Scarborough Fair
Parsley, sage, rosemary and thyme
Remember me to one who lives there
She once was a true love of mine

1. Tell her to make me a cambric shirt
(*On the side of a hill in the deep forest green*)
Parsley, sage, rosemary and thyme
(*Tracing of sparrow on snow crested brown*)
Without no seams nor needle work
(*Blankets and bedclothes the child of the mountain*)
Then she'll be a true love of mine
(*Sleeps unaware of the clarion call*)
2. Tell her to find me an acre of land
(*On the side of a hill a sprinkling of leaves*)
Parsley, sage, rosemary and thyme
(*Washes the grave with silvery tears*)
Between the salt water and the sea strands
(*A soldier cleans and polishes a gun*)
Then she'll be a true love of mine
3. Tell her to reap it with a sickle of leather
(*War bellows blazing in scarlet battalions*)
Parsley, sage, rosemary and thyme
(*Generals order their soldiers to kill*)
And gather it all in a bunch of heather
(*And to fight for a cause they've long ago forgotten*)
Then she'll be a true love of mine
4. Are you going to Scarborough Fair
Parsley, sage, rosemary and thyme
Remember me to one who lives there
She was once a true love of mine

230 The sounds of silence

Simon & Garfunkel

1. Hello darkness, my old friend
I've come to talk with you again
Because a vision softly creeping
Left its seeds while I was sleeping
And the vision that was planted in my brain
Still remains
Within the sound of silence
2. In restless dreams I walked alone
Narrow streets of cobblestone
Neath the halo of a street lamp
I turned my collar to the cold and damp
When my eyes were stabbed by the flash of a neon
light
That split the night
And touched the sound of silence
3. And in the naked light I saw
Ten thousand people, maybe more
People talking without speaking
People hearing without listening
People writing songs that voices never share
And no one dared
Disturb the sound of silence
4. "Fools" said I, "You don't know
Silence like a cancer grows
Hear my words and I might teach you
Take my arms and I might reach you"
But my words like silent raindrops fell
And echoed in the wells of silence
5. And the people bowed and prayed
To the neon god they made
And the sign flashed out its warning
In the words that it was forming
And the sign said, "The words of the prophets are
written on the subway walls
And tenement halls"
And whispered in the sound of silence

231 Wednesday morning, 3 a.m.

Simon & Garfunkel

1. I can hear the soft breathing of the girl that I love
As she lies here beside me asleep with the night
And her hair in a fine mist floats on my pillow
Reflecting the glow of the winter moonlight
2. She is soft she is warm but my heart remains heavy
As I watch as her breasts gently rise, gently fall
For I know with the first light of dawn I'll be leaving
And tonight will be all I have left to recall
3. Oh what have I done, why have I done it
I've committed a crime, broken the law
For twenty five dollars and pieces of silver
I held up and robbed a hard liquor store
4. My life seems unreal, my crime an illusion
A scene badly written in which I must play
And I know as I gaze at my young love beside me
The morning is just a few hours away

232 Kiss me

Sixpence None the Richer

1. Kiss me out of the bearded barley
Nightly, beside the green, green grass
Swing, swing, swing the spinning step
You wear those shoes and I will wear that dress
*Oh, kiss me beneath the milky twilight
Lead me out on the moonlit floor
Lift your open hand
Strike up the band and make the fireflies dance, silver
moon's sparkling
So kiss me*
 2. Kiss me down by the broken tree house
Swing me upon its hanging tire
Bring, bring, bring your flowered hat
We'll take the trail marked on your father's map
-

233 Living next door to Alice

Smokie

1. Sally called and she got the word
She said I suppose you've heard, about Alice
When I rushed to the window, and I looked outside
I could hardly believe my eyes
And the big limosine pulled up, in Alice's drive

| *Oh, I don't know why she's leavin'
Or where she's gunna go
I guess she's got her reasons
But I just don't wanna know
Cause for 24 years I've been living next door to Alice
24 years just waiting for the chance
To tell her how I feel and maybe get a second glance
Now I gotta get used to not livin' next door to Alice*
2. We walked together, two kids in the park
We inscribed our initials deep in the bark me and Alice
As she walks to the door with her head held high
Just for a moment I caught her eye
As the limosine pulls out, of Alice's drive
3. And Sally called back and asked how I felt
And she said I know how to help, get over Alice
She said, now Alice is gone, but I'm still here
You know I've been waiting for 24 years
And the big limosine disappeared

234 The storm

Soan

1. I thought she was a hurricane
She said I am a storm
Whispering old fairytales
I'm turning on my own
Would you come and blow with me
Forever and a day
I'm so glad to cross your way
Said I but I'm a tree

| *Sorry please kill me I need you*
 2. And anyway tomorrow comes
The season of the witch
I'll be praying thunderstorms
If you don't call the beast
I'm the one to disappear
She said I love you so
But love isn't everything
So "Shut!" said I and blow

| *Sorry please kill me I need you
If you missed me I could miss you
I've been sober for a week
I don't need to grow older
Sober and over (×3)*
-

235 I am a man of constant sorrow

Soggy Bottom Boys

The place where I was born and raised
- | *The place where he was born and raised*
2. For six long years, I've been in trouble
No pleasure here, on earth, I've found
For in this world, I'm bound to ramble

3. It's fair thee well, my old true lover
I never expect to see you again
For I'm bound to ride that Northern Railroad
Perhaps I'll die upon this train
- | *Perhaps he'll die upon this train*

For many years where I may lay
And you may learn to love another
While I am sleeping in my grave
- | *While he is sleeping in his grave*
5. Maybe your friends think I'm just a stranger
My face you never will see no more
But there is one promise that is given
I'll meet you on God's golden shore
- | *He'll meet you on God's golden shore*

236 Runaway train

Soul A sylum

1. Call you up in the middle of the night
Like a firefly without a light
You were there like a slow torch burning
I was a key that could use a little turning

So tired that I couldn't even sleep
So many secrets I couldn't keep
Promised myself I wouldn't weep
One more promise I couldn't keep

It seems no one can help me now
I'm in too deep
There's no way out
This time I have really led myself astray
- | *Runaway train never going back
Wrong way on a one way track
Seems like I should be getting somewhere
Somehow I'm neither here nor there*
2. Can you help me remember how to smile
Make it somehow all seem worthwhile
How on earth did I get so jaded
Life's mystery seems so faded

I can go where no one else can go
I know what no one else knows
Here I am just drownin' in the rain
With a ticket for a runaway train

Everything is cut and dry
Day and night
Eearth and sky
Somehow I just don't believe it
3. Bought a ticket for a runaway train
Like a madman laughin' at the rain
Little out of touch, little insane
Just easier than dealing with the pain

Runaway train never comin' back
Runaway train tearin' up the track
Runaway train burnin' in my veins
Runaway but it always seems the same

237 Stuck in the middle with you

Stealers Wheel

1. Well I don't know why I came here tonight
I got the feeling that something ain't right
I'm so scared in case I fall off my chair
And I'm wondering how I'll get down the stairs

*Clowns to the left of me
Jokers to the right, here I am
Stuck in the middle with you*

2. Yes I'm stuck in the middle with you
And I'm wondering what it is I should do
It's so hard to keep this smile from my face
Losing control, yeah, I'm all over the place
3. Well you started out with nothing
And you're proud that you're a self made man
And your friends, they all come crawlin, slap you on the back and say
Please, please
4. Trying to make some sense of it all
But I can see that it makes no sense at all
Is it cool to go to sleep on the floor
'Cause I don't think that I can take anymore
5. Well I don't know why I came here tonight
I got the feeling that something ain't right
I'm so scared in case I fall off my chair
And I'm wondering how I'll get down the stairs

Here I am, stuck in the middle with you

238 Oh Susanna

Stephen Foster

1. I come from Alabama
With my banjo on my knee
I'm goin' to Lou'siana
My true love for to see

It rained all night the day I left
The weather it was dry
The sun so hot I froze to death
Susanna don't you cry

*Oh! Susanna, don't you cry for me
I come from Alabama
With my banjo on my knee*
 2. I had a dream the other night
When everything was still
I thought I saw Susanna dear
A-coming down the hill

The buckwheat cake was in her mouth
The tear was in her eye
Said I, I'm coming from the south
Susanna don't you cry
 3. I soon will be in New Orleans,
And then I'll look all 'round,
And when I find Susanna,
I'll fall upon the ground.

But if I do not find her,
This darkey'll surely die,
And when I'm dead and buried,
Susanna don't you cry.

And I know that this must be heaven

241 Russians

Sting

1. In Europe and America
There's a growing feeling of hysteria
Conditioned to respond to all the threats
In the rhetorical speeches of the Soviets
Mr. Khrushchev said, "We will bury you"
I don't subscribe to this point of view
It would be such an ignorant thing to do
If the Russians love their children too
 2. How can I save my little boy
From Oppenheimer's deadly toy
There is no monopoly of common sense
On either side of the political fence
We share the same biology
Regardless of ideology
Believe me when I say to you:
"I hope the Russians love their children too"
 3. There is no historical precedent
To put the words in the mouth of the president
There's no such thing as a winnable war
It's a lie we don't believe anymore
Mr. Reagan says, "We will protect you"
I don't subscribe to this point of view
Believe me when I say to you:
"I hope the Russian love their children too"
We share the same biology
Regardless of ideology
What might save us me and you
Is that the Russians love their children too
-

 2. I think it's because I'm clumsy
I try not to talk too loud

After that you don't ask why
You just don't argue anymore (×3)
 3. Yes I think I'm okay
I walked into the door again
Well, if you ask that's what I'll say
And it's not your business anyway
I guess I'd like to be alone
With nothing broken, nothing thrown
Just don't ask me how I am (×3)
 4. My name is Luka
I live on the second floor
I live upstairs from you
Yes I think you've seen me before
If you hear something late at night

They only hit until you cry
After that you don't ask why
You just don't argue anymore (×3)

Terra Naomi

1. I see the lights are turning and I
Look outside. The stars are burning through this
Changing time. It could have been anything we
Want. It's fine, salvation was just a passing
Thought. It was just a passing
Thought
 2. Don't wait, act now. This amazing offer
Won't last long. It's only a chance to save the
Path we're on. I know there are more exciting
Things to talk about. And in time we'll sort it
Out. And in time we'll sort it
Out

*And though they say it's possible to
Me, I don't see how it's probable I
See the course we're on spinning farther from what
I know I'll hold On. Tell me that you won't let
Go. Tell me that you won't let
Go*
 3. And truth is such a funny thing with
All these people keep on telling me they
Know what's best and what to be frightened of and
All the rest are wrong. They know nothing about
Us. They know nothing about
Us

 4. This could be something beautiful combine
Our love into something wonderful but

A brand new tale, no one has ever told

We're almost there and we've paid our fare with the hobo song
Maybe tomorrow, I'll want to settle down
Until tomorrow, I'll just keep movin' on

*So if you wanna join me for a while
Just grab your hat, come travel light, that's hobo style
Maybe tomorrow, I'll find what I call home
Until tomorrow, you know I'm free to roam*

We've known each other since we were nine or ten
Together we've climbed hills and trees
Learned of love A B C's
Skinned our hearts and skinned our knees

Good bye my friend it's hard to die
When all the birds are singing in the sky
Now that the spring is in the air
Pretty girls are everywhere
Think of me and I'll be there

We had seasons in the sun
But the hills that we climb
Were just seasons out of time*

2. Goodbye Papa please pray for me
I was the blacksheep of the family
You tried to teach me right from wrong
Too much wine and too much song

Now that the spring is in the air
Little children everywhere
When you see them I'll be there.

*We had joy, we had fun
We had seasons in the sun
But the wine and the song
Like the seasons, all have gone*

3. Goodbye Michelle my little one
You gave me love and helped me find the sun
And every time that I was down
You would always come around
And get my feet back on the ground

Goodbye Michelle it's hard to die
When all the birds are singing in the sky
Now that the spring is in the air
With the flowers everywhere
I wish that we could both be there

We had seasons in the sun
But the stars we could reach
Were just starfishes on the beach*

Molly stays at home and does her pretty face
And in the evening she still sings it with the band

259 La mar

The Beautiful Girls

1. This day is getting older
In fading light it's beautiful
This wind is blowing colder
And too soon I'll feel it's pull

Still, I took all my chances
Earned myself an even score
Try to learn my lessons well
And I don't have the answers
For those questions anymore
Only love can be both heaven and hell

So sturdy up, sturdy up your heart
For the road is long ahead
I'll be with you even though we're apart
But your road is yours to tread
And so it goes, and so it goes
And so it goes, slows your mind, mind, mind
And so it goes, and so it goes
And so it goes, slows your mind, mind, mind, mind,
mind

2. I've grown old on this ocean
Gave her all, my stronger years
Gave my wife my devotion
When she died, the ocean my tears

I've tried to teach you well son
All of everything I knew
Of how to live this life be true
Don't bow your head to no one
And no matter what you do
If you start then see it through

260 Drunk tonight

The Bloody Irish Boys

1. Take me back to that open road
Where it leads I'll never know
Take me back to that place I've been
Where I said I'd never be again

So raise your glasses to thee
Celebrate another drunken year for me

Everybody's gonna get drunk tonight
We're gonna drink and fight (hey, hey, hey)
Everybody's gonna get drunk tonight
Everything will be alright
2. Play me a jig, sing me a tune
My dear friend, this shot's for you
Feel it burn as it goes down
But watch out: here comes another round

Drink until you can't see
Celebrate another drunken year for me
3. The place you've been is the place you'll be
The questions come but no one answers thee
Why we drink when were told not to
I guess that's just what we're born to do

So raise your glasses to thee
Celebrate another drunken year for me
4. Take me back to that open road
Where it leads I'll never know
Take me back to that place I've been
Where it starts and also ends

261 Wherever you will go The Calling

1. So lately you're wondering
Who will be there to take my place
When I'm gone, you'll need love
To light the shadows on your face

If a great wave shall fall
And fall upon us all
Then between the sand and stone
Could you make it on your own?

*If I could, then I would
I'll go wherever you will go
Way up high or down low
I'll go wherever you will go*
2. And maybe I'll find out
A way to make it back someday
To want you, to guide you
Through the darkest of your days

If a great wave shall fall
And fall upon us all
Then I hope there's someone out there who
Can bring me back to you

Run away with my heart
Run away with my hope
Run away with my love
3. I know now just quite how
My life and love might still go on
In your heart, in your mind
I'll stay with you for all of time

*If I could turn back time
I'll go wherever you will go
If I could make you mine
I'll go wherever you will go
(×2)*

Breaking up is hard to do*
1. Don't take your love away from me
Don't you leave my heart in misery
If you go then I'll be blue
'Cause breaking up is hard to do

Remember when you hold me tight
And then you kissed me all through the night
Think of all that we've been through
'Cause breaking up is hard to do
 2. I beg of you don't say good-bye
Can't we give our love another try
And maybe it'll start anew
'Cause breaking up is hard to do

I beg of you don't say good-bye
Can't we give our love another try
And maybe it'll start anew
'Cause breaking up is hard to do

263 '74 — '75 The Connells

1. Got no reason
For coming to me and the rain running down
There's no reason

And the same voice
Coming to me like it's all slowin' down
And believe me

*I was the one who let you know
I was your sorry-ever-after
'74 — '75*
2. It's not easy
Nothing to say 'cause it's already said
It's never easy

When I look oh, in your eyes
Then I find that I'll do fine
When I look oh, in your eyes then I do better

*I was the one who let you know
I was your sorry-ever-after
'74 — '75*

*Giving me more and I'll defy
'Cause you're really only after
'74 — '75*

264 Animal instinct The Cranberries

1. Suddenly something has happened to me
As I was having my cup of tea
Suddenly I was feeling depressed
I was utterly and totally stressed

*And the thing that's gets to me
Is you'll never really see
And the thing that's freaks me out
Is I always be in doubt*

265 Linger

The Cranberries

1. If you, if you could return
Don't let it burn, don't let it fade
I'm sure I'm not being rude
But it's just your attitude
It's tearing me apart
It's ruining everything

And I swore, I swore I would be true
And honey so did you
So why were you holding her hand?
Is that the way we stand?
Were you lying all the time?
Was it just a game to you?

*But I'm in so deep
You know I'm such a fool for you
You got me wrapped around your finger
Do you have to let it linger?
Do you have to? Do you have to?
Do you have to let it linger?*

2. Oh, I thought the world of you
I thought nothing could go wrong
But I was wrong
I was wrong
If you, if you could get by

Trying not to lie
Things wouldn't be so confused
And I wouldn't feel so used
But you always really knew
I just wanna be with you

266 Dreaming my dreams

The Cranberries

1. All the things you said to me today

It's out there if you want me I'll be here
It's out there, it's out there
It's out there if you want me I'll be here

*I'll be dreaming my dreams with you
I'll be dreaming my dreams with you
And there's no other place, that I'd lay down my face
Dreaming my dreams with you*

- It's out there, it's out there
It's out there if you want me I'll be here
It's out there, it's out there
It's out there if you want me I'll be here

*I'll be dreaming my dreams with you
I'll be dreaming my dreams with you
And there's no other place
That I'd lay down my face
I'll be dreaming my dreams with you*

And there's no other place
That I'd lay down my face
I'll be dreaming my dreams with you*

267 No need to argue

The Cranberries

1. There's no need to argue anymore
I gave all I could but it left me so sore
And the thing that makes me mad
Is the one thing that I had
I knew, I knew, I'd lose you
You'll always be special to me, special to me, to me
2. And I remember all the things we once shared
Watching TV movies on the living room armchair
But they say it will work out fine
Was it all a waste of time
'Cause I knew, I knew, I'd lose you
You'll always be special to me, special to me, to me
3. Will I forget in time? (*Ah-aa-aa*)
You said I was on your mind

Doo doo doo doo, doo doo doo doo, doo doo doo doo, doo doo doo doo (×2)

1. Understand the things I say, don't turn away from me
'Cause I've spent half my life out there, you wouldn't disagree
Do you see me? Do you see? Do you like me? Do you like me, standing there?
Do you notice? Do you know? Do you see me? Do you see me? Does anyone care?

*Unhappiness, where's when I was young and we didn't give a damn
'Cause we were raised, to see life as fun and take it if we can
My mother, my mother, she hold me, she hold me, when I was out there
My father, my father, he liked me, oh he liked me, does anyone care?*

2. Understand what I've become, it wasn't my design
And people everywhere think, something better than I am
But I miss you, I miss, 'cause I liked it, 'cause I liked it, when I was out there
Do you know this? Do you know? You did not find me, you did not find, does anyone care?

*Unhappiness, where's when I was young and we didn't give a damn
'Cause we were raised, to see life as fun and take it if we can
My mother, my mother, she hold me, she hold me, when I was out there
My father, my father, he liked me, oh he liked me*

Does anyone care? Does anyone care? Does anyone care? Does anyone care? (×2)

269 **Zombie** The Cranberries

1. Another head hangs lowly
Child is slowly taken
And the violence caused such silence
Who are we mistaken

But you see, it's not me
It's not my family
In your head, in your head
They are fighting

*With their tanks and their bombs
And their bombs and their guns
In your head, in your head
They are crying*

*In your head, in your head
Zombie, zombie, zombie
What's in your head, in your head
Zombie, zombie, zombie*

2. Another mother's breaking
Heart is taking over
When the violence causes silence
We must be mistaken

It's the same old theme
Since 1916
In your head, in your head
They're still fighting

*With their tanks and their bombs
And their bombs and their guns
In your head, in your head
They're dying*

*In your head, in your head
Zombie, zombie, zombie
What's in your head, in your head
Zombie, zombie, zombie*

2. The time to hesitate is through
No time to wallow in the mire

271 Whiskey in the jar

The Dubliners

1. As I was going over the far fam'd Kerry Mountains
I met with Captain Farrel, and his money he was countin'

Sayin', "Stand and deliver for you are my bold deceiver"

| *Whack fol de daddy o*
| *Whack fol de daddy o*
| *There's whiskey in the jar*

But the devil takes the women for they never can be easy
 3. I went into my chamber all for to take a slumber
I dreamt of gold and jewels and for sure it was no wonder
But Jenny drew my charges and she filled them out with water
Then sent for Captain Farrel, to be ready for the slaughter
 4. It was early in the morning just before I rose to travel
Up comes a band of footmen and likewise, Captain Farrel
I first produced my pistol for she stole away my rapier
But I couldn't shoot the water, so a prisoner I was taken

And others take delight in the hurling and the bowling

And courting pretty fair maids in the morning bright and early

If I can find his station, in Cork or in Killarney
And if he'll go with me we'll go roving in Kilkenny
And I'm sure he'll treat me better than my darling sporting Jenny

No, never, no more*

"Such custom as yours, I could have any day"

And the landlady's eyes opened wide with delight
She said I'd have whiskey and wines of the best
And the words that she told me were only in jest
4. I'll go home to my parents, confess what I've done
And I'll ask them to pardon their prodigal son

273 How to save a life

The Fray

1. Step one you say we need to talk
He walks you say sit down it's just a talk
He smiles politely back to you
You stare politely right on through
Some sort of window to your right
As he goes left and you stay right
Between the lines of fear and blame
And you begin to wonder why you came

*Where did I go wrong, I lost a friend
Somewhere along in the bitterness
And I would have stayed up with you all night
Had I known how to save a life*
 2. Let him know that you know best
Cause after all you do know best
Try to slip past his defense
Without granting innocence
Lay down a list of what is wrong
The things you've told him all along
Pray the God he hears you
And pay the God he hears you
 3. As he begins to raise his voice
You lower yours and grant him one last choice
Drive until you lose the road
Or break with the ones you've followed
He will do one of two things
He will admit to everything
Or he'll say he's just not the same
And you'll begin to wonder why you came
-

Spend it fast as I can
For a wailin' song and a good guitar
The only thing that I understand, oh boy

280 California's dark

The Nightwatchman

1. It started in basements
And it started in sheds
It started in backyards
And was hidden under beds

I turned on the TV
Don't believe a word they say

And we can't get away

*There's a riot on sunset
And fires burn in the park
The sun has set my friend
And California's dark*

I looked at my choices
And I made a choice

Smoke and ashes
Tonight hide the stars
The stop lights are red now, love
We've come for what's ours
3. Come stand among the rattlesnakes
At the side of the desert road
And close your eyes and listen
To the music hard and cold

Tonight the moon is blackened
Tonight the doors are shut
Behind the shuttered windows
We pray the sun will come up

For which there is no name
You might have heard different

And fires burn in the park
The sun sets everywhere
And the whole damn country's dark*

And fires burn in the park
The sun has set my friend
And California's dark*

281 Let freedom ring

The Nightwatchman

1. There's a man homeless and hungry
There's a wind that's hard and biting
There's a song in need of singing
There's a fuse in need of light
It's no secret the day is coming

But if they ask
If they ask you brother
Who told you that
You didn't hear it from me

Let freedom ring

Let freedom ring
Let freedom ring

And where the righteous, where the righteous fell
There's a voice, that's soft and whispering
Coming from the bottom of the well

I repeated those words, inside my head
- And if they ask
If they ask you brother
Who told you that
Tell them it was me

The Pogues

In the drunk tank
An old man said to me
Won't see another one

And then he sang a song
The Rare Old Mountain Dew
And I turned my face away
And dreamed about you
2. Got on a lucky one
Came in eighteen to one
I've got a feeling
This year's for me and you

So happy Christmas
I love you baby
I can see a better time
When all our dreams come true
3. They've got cars
Big as bars
They've got rivers of gold
But the wind goes right through you

When you first took my hand
On a cold Christmas Eve
You promised me
Broadway was waiting for me
4. You were handsome
You were pretty
Queen of New York City
When the band finished playing
They howled out for more

Sinatra was swinging
All the drunks they were singing
We kissed on the corner
Then danced through the night

The boys of the NYPD choir
Were singing "Galway Bay"
And the bells were ringing
Out for Christmas day

5. You're a bum
You're a punk

Living there almost dead
On a drip in that bed

You scum bag

You cheap lousy faggot
Happy Christmas your arse

You took my dreams from me

Eighteen hundred and six
We set sail from the sweet cove of Cork
We were sailing away
With a cargo of bricks

And oh, how the wild wind drove her
She stood several blasts
She had twenty seven masts
And they called her the *Irish Rover*
 2. We had one million bags
Of the best Sligo rags
We had two million barrels of stone
We had three million sides
Of old blind horses hides
We had four million barrels of bones

And six million dogs
Seven million barrels of porter
We had eight million bails
Of old nanny-goats' tails
In the hold of the *Irish Rover*
 3. There was awl Mickey Coote
Who played hard on his flute
When the ladies lined up for a set
He was tootin' with skill
For each sparkling quadrille
Though the dancers were fluther'd and bet

He was cock of the walk
And he rolled the dames under and over
They all knew at a glance
When he took up his stance
That he sailed in the *Irish Rover*
 4. There was Barney McGee
From the banks of the Lee
There was Hogan from County Tyrone
There was Johnny McGurk
Who was scared stiff of work
And a man from Westmeath called Malone

And Fighting Bill Treacy from Dover
And your man, Mick MacCann
From the banks of the Bann
Was the skipper of the *Irish Rover*
 5. We had sailed seven years
When the measles broke out
And the ship lost its way in the fog
And that whale of a crew
Was reduced down to two
Just myself and the Captain's old dog

Then the ship struck a rock
Oh Lord! What a shock!
The bulkhead was turned right over
Turned nine times around
And the poor old dog was drowned
And the las of the *Irish Rover*

The Rolling Stones

1. Angie, Angie
When will those clouds all disappear?
Angie, Angie
Where will it lead us from here?
With no loving in our souls
And no money in our coats
You can't say we're satisfied
Angie, Angie
You can't say we never tried
2. Angie, you're beautiful
But ain't it time we said goodbye?
Angie, I still love you
Remember all those nights we cried
All the dreams we held so close
Seemed to all go up in smoke
Let me whisper in your ear
Angie, Angie
Where will it lead us from here?
3. Oh Angie don't you weep
Ah your kisses still taste sweet
I hate that sadness in your eyes
But Angie, Angie
Ain't it time we said goodbye?
4. With no loving in our souls
And no money in our coats
You can't say we're satisfied
5. But Angie, I still love you baby
Everywhere I look I see your eyes
There ain't a woman that come close to you
Come on baby dry your eyes
6. But Angie, Angie
Ain't it good to be alive?
Angie, Angie
They can't say we never tried

Oh yeah, I'm gonna fade away

*War, children, it's just a shot away
It's just a shot away
(×2)*

2. Ooh, see the fire is sweepin'
Our very street today
Burns like a red coal carpet
Mad bull lost its way

It's just a shot away
(×3)*

*War, children, it's just a shot away
It's just a shot away
It's just a shot away
It's just a shot away
It's just a shot away I tell you
Love, sister, it's just a kiss away
It's just a kiss away
It's just a kiss away
It's just a kiss away
Kiss away, kiss away*

291 You can't always get what you want

The Rolling Stones

1. I saw her today at the reception
A glass of wine in her hand
I knew she was gonna meet her connection
At her feet was a footloose man

*You can't always get what you want (×3)
But if you try sometimes, you might find
You get what you need...Ah
Yeah.....*

2. I went down to the demonstration
To get my fair share of abuse
Singing "we're gonna vent our frustration
And if we don't we're gonna blow a 50-amp fuse"
3. I went down to the Chelsea drugstore
To get your prescription filled
I was standing in line with Mr. Jimmy
And man, did he look pretty ill

We decided that we would have a soda
My favorite flavor, cherry red
I sung my song to Mr. Jimmy
And he said one word to me, and that was "dead"
I said to him:
4. I saw her today at the reception
In her glass was a bleeding man
She was practiced at the art of deception
Well I could tell by her bloodstained hands

292 Route 66

The Rolling Stones

Just take my way that's the highway that's the best
Get your kicks on Route 66

More than 2000 miles all the way
Get your kicks on Route 66

Oklahoma city, looks oh so pretty
You'll see Amarillo and Gallup, New Mexico
Flagstaff, Arizona don't forget Winona
Kingman, Barstow, San Bernadino*

3. Would you get hip to this kindly tip
And go take that California trip?
Get your kicks on Route 66

-

*Well it's true that we love one another
I love Jack White like a little brother
Well, Holly, I love you too
But there's just so much that I don't know about you*

1. Jack, give me some money to pay my bills
All the dough I give you, Holly, you've been using on pain pills
Jack, will you call me if you're able?
I've got your phone number written in the back of my Bible
Jack, I think you're pulling my leg
And I think maybe I'd better ask Meg
 2. Meg, do you think Jack really loves me?
You know I don't care 'cause Jack really bugs me
Why don't you go ask him now?
Well, I would but, Meg, I really just don't know how
 3. Just say, "Jack, do you adore me?"
Well, I would, Holly, but love really bores me
Then I guess we should just be friends?
I'm just kidding Holly, you know that I'll love you 'til the end
 4. Holly, give me some of your English lovin'
If I did that, Jack, I'd have one in the oven
Why don't you go off and love yourself?
If I did that, Holly, there wouldn't be anything left for anybody else
 5. Jack, it's too bad about the way that you look
You know, I gave that horse a carrot so he'd break your foot
Will the two of you cut it out?
And tell 'em what it's really all about

294 American girl

Tom Petty and The Heartbreakers

1. Well she was an American girl
Raised on promises
She couldn't help thinking that there was
A little more to life somewhere else

After all it was a great big world
With lots of places to run to
And if she had to die tryin' she had one little
promise she was gonna keep

*Oh yeah, allright
Take it easy baby
Make it last all night
She was an American girl*

2. Well it was kinda cold that night
She stood alone on the balcony
Yeah, she could hear the cars roll by
Out on four forty one like waves crashing on the
beach

And for one desperate moment there
He crept back in her memory
God it's so painful when something that's so close is
still so far to reach

Don't you know
They're talkin' about a revolution
It sounds like a whisper*

Crying at the doorsteps of those armies of salvation
Wasting time in the unemployment lines
Sitting around waiting for a promotion

They're talkin' about a revolution
It sounds like a whisper
Don't you know
They're talkin' about a revolution
It sounds like a whisper*

2. Poor people gonna rise up
And get their share
Poor people gonna rise up
And take what's theirs

*Don't you know
You better run, run, run...
Oh I said you better
Run, run, run...
Finally the tables are starting to turn
Talkin' about a revolution*

298 One

U2

1. Is it getting better
Or do you feel the same?
Will it make it easier on you, now
You got someone to blame?

| *You say one love, one life*
When it's one need in the night
One love, we get to share it
Leaves you baby if you don't care for it
 2. Did I disappoint you
Or leave a bad taste in your mouth?
You act like you never had love
You want me to go without

| *Well it's too late, tonight*
To drag the past out into the light
We're one, but we're not the same
We get to carry each other, carry each other
 3. Have you come here for forgiveness?
Have you come to raise the dead?
Have you come here to play Jesus
To the lepers in your head?

| *Did I ask too much? More than a lot?*
You gave me nothing, now it's all I got
We're one but we're not the same
Well we hurt each other, then we do it again

: You say love is a temple, love a higher law
: Love is a temple, love the higher law
: You ask me to enter but then you make me crawl
: And I can't be holding on to what you got when
: all you got is hurt

| *One love, one blood*
One life, you got to do what you should
One life with each other
Sisters, brothers

| *One life, but we're not the same*
We get to carry each other, carry each other

299 Sunday Bloody Sunday

U2

- I can't believe the news today
Oh, I can't close my eyes and make it go away
How long
How long must we sing this song?
How long? How long ...
'Cause tonight, we can be as one, tonight
1. Broken bottles under children's feet
Bodies strewn across the dead-end streets
But I won't heed the battle call
It puts my back up, puts my back up against the wall

| *Sunday, bloody Sunday*
Sunday, bloody Sunday
 2. And the battle's just begun
There's many lost but tell me who has won
The trench is dug within our hearts
And mothers, children, brothers, sisters torn apart
 3. And it's true we are immune
When fact is fiction and TV is reality
And today the millions cry
We eat and drink while tomorrow they die
The real battle just begun
To claim the victory Jesus won on

300 Cat's in the cradle

Ugly Kid Joe

1. My child arrived just the other day
Came to the world in the usual way
But there were planes to catch and bills to pay
He learned to walk while I was away
He was talkin' 'fore I knew it
And as he grew he said
"I'm gonna be like you, Dad
You know I'm gonna be like you."

*And the cat's in the cradle and the silver spoon
Little boy blue and the man on the moon
"When you comin' home?"
"Son, I don't know when
We'll get together then
You know we'll have a good time then."*
 2. Well, my son turned ten just the other day
He said, "Thanks for the ball, Dad. Come on, let's play
Could you teach me to throw?" I said, "Not today
I got a lot to do." He said, "That's okay."
And he walked away and he smiled and he said
"You know
I'm gonna be like him, yeah
You know I'm gonna be like him."
 3. Well, he came from college just the other day
So much like a man I just had to say
"I'm proud of you. Could you sit for a while?"
He shook his head and he said with a smile
"What I'd really like, Dad, is to borrow the car keys
See you later. Can I have them please?"
 4. I've long since retired, my son's moved away
I called him up just the other day
"I'd like to see you, if you don't mind."
He said, "I'd love to, Dad, if I could find the time
You see my new job's a hassle and the kids have the flu
But it's sure nice talkin' to you, Dad
It's been sure nice talkin' to you."
And as I hung up the phone it occurred to me
He'd grown up just like me
My boy was just like me

301 Lady in black

Uriah Heep

1. She came to me one morning, one lonely Sunday morning
Her lo-ng hair flowing in the mid-winter wind
I know not how she found me, for in darkness I was walking
And destruction lay around me from a fight I could not win

| *Ahahaaahahaha, ahahaaahahaha !*
2. She asked me name my foe then. I said the need within some men
To fight and kill their brothers without thought of men or god
And I begged her give me horses to trample down my enemies
So eager was my passion to devour this waste of life
3. But she would not think of battle that reduces men to animals
So easy to begin and yet impossible to end
For she the mother of all men had counceled me so wisely that
I feared to walk alone again and asked if she would stay
4. "Oh lady lend your hand," I cried, "Oh let me rest here at your side."
"Have faith and trust in me," she said and filled my heart with life
There is no strength in numbers. I've no such misconceptions
But when you need me be assured I won't be far away
5. Thus having spoke she turned away and though I found no words to say
I stood and watched until I saw her black cloak disappear
My labor is no easier, but now I know I'm not alone
I find new heart each time I think upon that windy day
And if one day she comes to you drink deeply from her words so wise
Take courage from her as your prize and say hello for me.

302 Love is all around

Wet Wet Wet

1. I feel it in my fingers,i feel it in my toes
The love that's all around me and so the feeling grows
It's written on the wind, It's everywhere I go
So if you really love me, come on and let it show

| *You know I love you, I always will,
My mind's made up by the way that I feel
There's no beginning there'll be
No end 'cause on my love you can depend*
 2. I see the face before me as I lay on my bed
I cannot get to tinkering of all the thins you said
You gave your promise to me and I gave mine to you
I need someone beside me in everything I do
 3. It's written in the wind, oh everywhere I go
So, if you really love me come on and let it show
Come on and let it show come on and let it
Come on and let it show come on and let it show

305 Fake wings

Yuki K ajiura

1. Shine
Bright morning light
Now in the air
The spring is coming
 2. Sweet
Blowing wind
Singing down
The hills and valleys
- Keep your eyes on me
Now we're on the edge of hell*
3. Dear my love
Sweet morning light
Wait for me
You've gone much farther, too far

306 Vanity

Yuki K ajiura

1. Enter the scenery of love
Lovers are in pain
They blame and pick on each other

You play melodies of love
Forgotten phrases
Tender and sweet

Come a little bit closer
Don't stay in the shadows my boy
(La la la la la la la)
The melody's fading
Now or never, love will go
- I'll be there
By your side
Share your fears
In the silent redemption
Touch my lips
Hold me tight
Live in vanity
For a while*
2. As winter melts in the sun
Boys will be out
Running and reaching for the light

Oh mother please find me in that place
Before the memories
Tear us into pieces

Clinging to affection
We somehow do learn to live
(A la la la la la la la)
In endless motion
Never coming back, love will go
- You'll be there
By my side
You may never
Know my devotion
Feel my breath
In the quiet night
Live in vanity
For ever*
3. Won't you feel my gentle emotion
Let us live in peace with conviction
If you're here please hold me
